MONOPLANE ON ROME FLIGHT

DRASTIC ACTION IS THREATENED FOR TEXAS SOLONS

SENATE HELD UP BY LACK OF QUORUM IN HOUSE; MAY ISSUE WARRANTS

AUSTIN, July 8.—(AP)—Drastic action to force absent members to return to Austin so the house may complete its organization and begin the task of considering appropriation bills was in prospect today as the lower branch marked time without a quorum.

With only 92 of 150 members present, Representative J. B. Snelgrove, Henderson, said he would ask that warrants be issued tomorrow for the absentees if a working membership failed to develop.

Roll call revealing 24 senators present, the senate was ready to transact business but was unable to begin its proceedings due to the failure of the house to become organized. Both houses recessed until 2 o'clock in the hope of beginning their task of providing for the judiciary and educational and eleemosynary institutions.

That Governor Moody may be forced to submit a few minor subjects other than appropriations bills in order to keep lawmakers busy while money bills are being considered by the appropriations committees was indicated in a statement of Speaker W. S. Barron today.

"It may be necessary to consider a few additional subjects in order that members of the two houses may be kept here," he said after conferring with the governor.

No QKuorum.

AUSTIN, July 8.—(AP)—Twenty members short of a quorum, the house today for the fifth consecutive time was unable to complete its organization for transaction of business during the third special session. While the eighty members who answered roll call stood at ease, Sergeant at Arms Joe White scoured the city for absentees, and telegrams were sent to the homes of the missing members.

The senate had 24 members present but was unable to transact business except for the election of a new chaplain. Rev. Randolph Clark, Ranger, was named to succeed Rev. W. H. Doss, who resigned because of illness in his family.

SOLONS DISCUSS FLEXIBLE CLAUSE IN TARIFF BILL

WOULD ENABLE PRESIDENT MORE SCOPE IN CHANGING IMPORT DUTIES

WASHINGTON, July 8.—(AP)—Administrative provisions of the house tariff bill, increasing the chief executive's power to change import duties, stood out today as rivaling even the sugar schedule as a potential source of controversy in the senate.

An organized democratic effort to eliminate the flexible provision from this section of the measure was seen in the issuance by the democratic national committee of a statement by Senator Simmons of North Carolina, ranking minority member of the finance committee, announcing a "fight to the bitter end" against the proposal.

The statement described the flexible clause, first enacted in 1922, as a "proposition on the part of congress to surrender this essentially legislative function to the executive branch of the government," and said it "involves a principle fundamental in our representative system of government; namely, the right of the people to control the purse strings through their representatives."

May Repeal Clause.

Repeal of the clause through elimination of the flexible provision in the house bill was sought by Representative Garner of Texas, ranking democrat of the ways and means committee, shortly before the measure was passed by that chamber. Lack of unanimity in favor of it among republicans was demonstrated during the preceding debate with a vigorous argument against it by Representative Beck, republican, Pennsylvania, a former solicitor general.

Two of the sub-committees conducting the hearings ended their holiday today. One, concerned with the metals schedule, had baout forty witnesses to hear today and tomorrow, planning to complete their testimony before Thursday and then take up the views of four leaders in the automobile industry on the question of reducing or eliminating the duty on motor vehicles.

Chairman Smoot, meanwhile, was prepared to lay before the committee his tentative proposal for a sliding scale tariff as a sub-committee for the present duty of 1.76 cents a pound on Cubar sugar and the rate of 2.40 cents proposed in the house bill. He has described his plan, under which the rate would increase as sugar prices ing lower rates than the house declined and vice versa, as provid- schedule, but has witheld details.

Gets Big Judgment

Admiral Bradley A. Fiske, above, navigator of the "Petrel" at the Battle of Manila Bay and now retired, was sustained in his fight against the Navy for infringement of patent rights when the District of Columbia Supreme Court awarded him a judgment of $198,500 against Rear Admiral W. A. Moffett. Admiral Fiske invented the torpedo to be carried by an airplane.

CHICAGO TRIBUNE AMPHIBIAN SILENT FOR THREE DAYS

FEAR PLANE DOWN IN NORTHERN WILDS; NO RESCUE EFFORTS YET

OTTAWA, July 8.—(AP)—The Amphibian airplane Untin Bowler took the air today from an undetermined point in the Hudson Bay country, continuing its flight from Chicago to Berlin.

CHICAGO, July 8.—(AP)—"Somewhere in Canada" was the most definite address today of the Chicago Tribune's Chicago-to-Berlin amphibian plane, the "Utin" Bowler, and its crew of three who were last heard from Friday.

Operators have been constantly on duty at the Tribune's long wave length radio station in Elgin, Ill., but since 9:58 a. m., Friday no message has been received from the plane. At that time Parker D. Cramer, co-pilot and navigator, radioed the "Utin Bowler was landing at Great Whale, tiny trading post in the Hudson Bay country.

For five hours Sunday the Elgin operators heard a loud whirring sound which they were confident was from the plane's radio generator being operated by the motor. If such was the case, backers of the flight said, it was evident the "Untin" Bowler flew a considerable distance.

Fears were expressed that the amphibian had been forced down in the wooded wilds of Northern Quebec by storms, but Tribune officials repudiated reports from Cleveland that another amphibian had been rented there to search for the "Nntin" Bowler.

NEW AIRLINE FOR RIO GRANDE VALLEY IS NOW CONSIDERED

DALLAS, July 8.—(AP)—Tentative plans for the establishment of an extensive air express system between Dallas and the Rio Grande valley and Mexico were revealed here today by the aviation department of the Dallas chamber of commerce. The proposed system would connect with lines to the east and north of Dallas.

Although the name of the sponsor was not made public, it was said it was proposed to have the line in operation by September.

Demand for highly valuable perishable citrus and other fruits of the Rio Grande valley and for wild game which can be shipped from Mexico to large points in the east and north will assure success of such a line, in the opinion of the Dallas chamber of commerce officials.

Automotive Magnates To Talk On Tariff

WASHINGTON, July 8.—(AP)—Four automotive magnates or their official representatives, are to appear Thursday before a senate finance sub-committee to testify on the tariff schedules on automobiles.

The men requested to appear are Henry Ford, Alfred P. Sloan, Jr., president of General Motors; W. C. White, president of the White Motor Truck company, and Mr. McCauley, who is also president of the Packard Motor Car company.

MORE ACREAGE IN COTTON THIS YEAR U. S. FIGURES SHOW

CONDITION OF CROP NOT ANNOUNCED—NO PRODUCTION FORECAST

WASHINGTON, July 8.—(AP)—The acreage of cotton under cultivation in the United States July 1 was 3.2 percent more than a year ago, the department of agriculture toda yestimated the area at 48,457,000 acres, compared with 46,946,000 acres on July 1 last year.

The condition of the crop on July 1 was not announced by the department which is forbidden by law from estimating that figure at this time, nor a forecast made on production.

The acreage in cultivation July 1 and revised figures for the area a year ago follow:

State—	July 1 Area	July 1 1828
Virginia	89,000	81,000
North Carolina.	1,911,000	1,892,000
South Carolina.	2,410,000	2,485,000
Georgia	3,922,000	9,383,000
Florida	111,000	101,000
Missouri	337,000	355,000
Tennessee	1,122,000	1,145,000
Alabama	3,389,000	3,643,000
Mississippi	4,403,000	4,154,000
Louisiana	2,216,000	2,052,000
Texas	18,697,000	18,330,000
Oklahoma	4,685,000	4,420,000
Arkansas	4,064,000	3,384,000
New Mexico	132,000	123,000
Arizona (A) ...	226,000	202,000
California	319,000	223,000
All other states	24,000	23,000
U. S. Total .	48,457,000	46,946,000
Lower Cal. (B).	151,000	160,000

(A) Including Pima Egyptian long staple cotton estimated at 67,000 acres this year, compared with 50,000 acres in cultivation a year ago.

(B) Not included in California figures, nor in United States total.

"This year's acreage is six tenths of one percent less than the record average of 48,730,000 acres planted in 1926," the department commented. "The estimate relates to acreage standing on July 1, allowance having been made for any acreage which was abandoned prior to that date and for any acreage replanted and in cultivation on that date.

"The increase in acreage has taken place mainly in the states from Alabama west, the eastern part of the belt showing only slight changes from last year.

"The August 1 production forecast will be based on the acreage in cultivation on July 1, less the ten year average abandonment in each state after July 1. The board will collect no information on conditions of the 1929 cotton crop until August 1.

WITNESSES DRAW ATTENTION LAREDO ATTORNEY MONDAY

LAREDO, July .—(AP)—Tomas Hernandez having been given a 20-year sntence, and Raymond West life, in prison for the killing of Harry Williams, newspaper reporter, here last January, officials of the district attorney's office today gave attention to witnesses at the recent trial.

Maria Alatorre, star witness for the defense, was charged with perjury. The state charged Williams was choked to death in the Commercial Hotel, of which the woman was th landlady. She testified she saw Williams leave the hotel alive after the fatal struggle was alleged to have taken place.

Testimony of other witnesses also was under investigation as the state's attorneys said they believed there were contradictions which might be cleared up.

West and Hernandez, former peace officers here, were held in jail without bond. Their application for a new trial was denied Saturday night, and an appeal was filed immediately.

Two Members House Resigned Monday

AUSTIN, July 8.—(AP)—Representatives Ben Woodall, Marshall, and J. C. Shipman, Hamilton, today tendered their resignations to Governor Moody, effective immediately.

Woodall, whose name was mentioned as a possible candidate for speaker, quit his post in order to become deputy county and district attorney of Harrison county.

Shipman left the legislature on account of his removal to Abilene where he will practice law.

Woodall was chairman of the criminal jurisprudence committee.

Special elections to name successors to the two men will be held at an early date, Governor Moody said.

KILLED BY OFFICERS

CHICAGO, July 8.—(AP)—Andrew Kelly, 55, who ran amuck with a shotgun last night, was shot and killed by police.

After roaming the streets earlier in the evening, shooting out street lights and terrorizing neighbors, Kelly retreated to his home where he barricaded himself. Police tear bombs finally forced him to flee. When he failed to heed an officer's demand to halt, the police opened fire.

ROCKEFELLER TURNS NINETY

Coroner Exonerates Officer For Killing

CAMDEN, Ark., July 8.—(AP)—A coroner's jury today exonerated Constable Luther Meeks of blame for the fatal shooting last night of Walter Patterson, alleged bootlegger slain after he had killed E. R. Marsh, city marshal at Chidester, during a liquor raid..

Sheriff Arthur W. Ellis went to Chidester today to investigate the double killing. T. M. Clifford, deputy prosecuting attorney, said it was not likely any arrest would be made.

BORN—July 8, 1839, at Richford, Tioga county, N. Y. Son of farmer-doctor in moderate circumstances.

TEN—Tracks turkey hen to stolen nest, recovers chicks, sells them in Fall. Puts out first $50 savings at interest.

TWENTY—Had saved $1,000, borrowed $1,000 from his father and bought partnership in produce firm of Clark & Rockefeller, at Cleveland, Ohio.

THIRTY—Had bought out partners in oil refining business for $72,500 and merged three companies as Rockefeller, Andrews & Flagler.

FORTY—Head of Standard Oil Company of Ohio, with millions of borrowed money used in purchase of other refineries, and development of pipe lines.

FIFTY—Head of Standard Oil Trust against which independent producers were beginning to protest with appeals to State Legislatures.

SIXTY—Head of Standard Oil Company of New Jersey, combining twenty companies controlling petroleum industry, feared and hated, under continuous attack by press and politicians, known as richest man in the world.

SEVENTY—Standard Oil Company of New Jersey had been dissolved by Government. Rockefeller still in control of separated interests. Had given $35,000,000 to University of Chicago and distributed other large sums. Health failing rapidly and given short time to live.

EIGHTY—Retired golf enthusiast showing remarkable vitality. Influential but inactive in business. Devoted to philanthropies.

NINETY—Still enjoying daily game of golf and good health. Has given away more than $500,000,000. Generally regarded as benefactor.

JOHN D. ROCKEFELLER HAS MASTERED ART OF LIVING DURING LAST THIRTY YEARS

TARRYTOWN, N. Y., July 8.—(AP)—John D. Rockefeller, master of the fine art of living, celebrated his ninetieth birthday anniversary today.

Observance of the day brought little diviation from the daily routine by which the veteran oil magnate has learned to be healthy and happy.

The day marks the close of the third decade since, having amassed $1,000,000,000 Mr. Rockefeller relinquished his business interests to his son and began his pursuit of health and happines.

In those thirty years he has evolved a philosophy of life based on moderation and quiet activity so that where at sixy he was a semi-invalid, seeking a diet that would agree with him, today he announced he was in perfect health, scanning the future with cheer and hope.

In a statement he said.

"I have every reason to be grateful on my ninetieth birthday. Everybody has been so kind and good to me all the year. With perfect health and full of hope and cheer for the future, I have nothing but kindness and good will for everybody."

His birthday was spent with members of his family a his estate, Pocantico hills.

DALLAS NEGRO SOUGHT IN CONNECTION STABBING OF MOTORMAN; HAD ARGUMENT

DALLAS, July 8.—(AP)—A big negro who last night stabbed G. D. Tennison, 23, operator of a one man street car here, and a negress who argued with Tennison before the stabbing, were sought by police today. Tennison was in a critical condition.

According to J. L. Walker, only white passenger on the car, a number of negroes boarded it. The negress took down a Jim Crow sign which designated the negro portion of the car, and threw it on a seat, Walker said.

Tennison replaced the sign and told the negress to leave it alone. The big negro in the car then stabbed Tennison.

Walker opened the front door, Tennison staggered to the curb, where he collapsed. Walker called the police and the negress and the big negro who stabbed Tennison escaped through a rear car window.

'Pestered' By Women Youth Used Razor On Telephone Operator

NEW YORK, July 8.—(AP)—Charles Delaet, unemployed bus boy, who confessed to police he had killed a woman in Detroit four years ago, today slashed Miss Caroline Goodwin of Rahway, N. J., with a razor at Broadway and Vesey streets as thousands of workers were on their way to business.

Miss Goodwin, telephone clerk and 10 years old, received a twelve-inch razor slash across the back requiring fifteen stitches. Her condition was stated to be favorable.

The attacker had scarcely inflicted the wound when he was knocked out by Joseph Gabarino of Brooklyn, who leaped from his truck and held him until police arirved.

The slasher said he was 23 years old and that women "pestered" him.

TEXAN IS DROWNED

OKMULGEE, Okla., July 8.—(AP)—Alvin Daves, 22, of Channing, Texas, employed by the Carter Oil company at Seminole, was drowned at Greenwood lake near here last night after diving into shallow water.

MANY ASPIRANTS LOOMING IN RACE FOR GOVERNORSHIP

LEGISLATORS SPEND IDLE MOMENTS COMPARING LARGE FIELD

By R. W. BARRY
(Associated Press Staff Writer.)

AUSTIN, July 8.—(AP)—While committees wrestle with uninteresting figures, the foot loose legislators, waiting impatiently for the financiers to get the appropriation bills in shape, like to speculate on next year's state political campaign.

Formal announcement of Senator Thomas B. Love of Dallas for governor has added fuel to the flames, and everybody is counting on one of the most colorful campaigns Texas has ever witnessed.

As the situation stands now there will be a field of eight or ten.

There are now five avowed candidates, Senator Love, Oscar B. Holcombe, former mayor of Houston, Representative T. N. Mauritz of Ganando, advocate of an income tax, Miss Katie Daffan of Ennis, historian and active in the United Daughters of the Confederacy, and E. G. Senter of Dallas, writer and lawyer.

Some May Withdraw.

Some now in might get out. At the outset of every gubernatorial campaign there are announced candidates who decide later to pull down before the horses are let to the tape.

Lieut. Gov. Barry Miller is depended on by a large following to announce his candidacy in due time. Gossip circulating freely through the capitol has it that Earle B. Mayfield, former United States senator, contemplates making the race. The same current of talk carries the rumor that if Senator Mayfield runs, former Gov. Pat M. Neff of Waco will enter the field. Senator Mayfield and Gov. Neff had quite a spat lately when the retiring United States Senator from Texas opposed the confirma-

LINDBERGH TAKES OFF FIRST EAST BOUND AIRPLANE

STARTS TRAIN AND PLANE TRANSPORTATION FROM WESTERN TERMINAL

GLENDALE, Calif., July 8.—(AP)—Col. Charles A. Lindbergh took the controls of a 12 passenger trimotored airplane at 8:50 a. m., today and soared away to the east from the Grand Central Air Terminal here, bound for Clovis, N. M., on the opening eastward flight over the new Transcontinental Air Transport Lines.

Anne Enjoyed Trip

LOS ANGELES, Cal., July 8.—(AP)—The cross-country aerial jaunt of Col. and Mrs. Charles A. Lindbergh was completed with their arrival yesterday at Grand Central Air terminal, Glendale, from Kingman, Ariz.

The first long flight of Mrs. Lindbergh with her noted husband was described by her as having been "enjoyed to the fullest." The aviator's bride, interviewed briefly, remarked particularly upon the beauty of Arizona's painted desert as seen from the air. She smiled for cameramen as she and her husband were photographed.

Soon after arriving Lindbergh, accompanied by Gov. C. C. Young of California, and Mayor John C. Porter of Los Angeles, sent a flash over the wires into the Pennsylvania railroad station in New York as part of the ceremonies inaugurating the Transcontinental Air Transports trai'n-plane service.

Lindbergh today planned to pilot the first of the line's planes, a trimotored all-metal monoplane, eastward from the Los Angeles terminus of the line. Mrs. Lindbergh arranged to accompany him to Wislow, Ariz., and there to await him on his westward return trip tomororw. At Clovis, N. M., passengers will board an eastbound train.

Mob Violence Feared For Prohi Officers

OKLAHOMA CITY, July 8.—(AP)—Fearing possible mob violence in Tecumseh, officials late last night brought W. W. Thomason, federal prohibition enforcement officer and three under cover workers, Jeff D. Williams, charged with the killing of James Harris in a liquor raid July 4, to the Oklahoma county jail here.

Jeff Harris is charged with the killing of Oscar Lowery, brother-in-law of James Harris, wounded fatally in the same raid.

SCHILLING TALKS TO HOOVER

WASHINGTON, July 8.—(AP)—W. F. Schilling, president of the Twin City Milk Producers association of St. Paul, Minn., held an extended conference with President Hoover today, and it is understood he was offered a place on the federal farm board.

Stealing His Thunder

Former Chancellor of the Exchequer, Winston Spencer Churchill above, will visit the United States and expects to deliver speeches appealing for Anglo-American understanding and disarmament before Premier MacDonald can pay his personal visit to President Hoover.

UNION HEADS AND CAR OWNERS SEEK FEDERAL AID NOW

NEW ORLEANS QUIET MONDAY; NO STREET CARS BEING OPERATED

NEW ORLEANS, La., July 8.—(AP)—Peace reigned temporarily today in New Orleans street car strike as union leaders and public service officials turned to a separate branch of federal authority to aid their cause.

Union heads pinned their hopes for a satisfactory settlement on action by the department of labor's conciliation forces, while the Public Service company hinged its fight on application for a federal injunction to prevent riotous acts against attempts to operate with non-union labor.

Meanwhile, both sides had to be consent to wait until tomorrow before the governmental wheels could be started. Federal Judge Wayne G. Borah set the hearing on the injunction plea at 11 a. m., tomorrow when the union must show why it should not be restrained from interfering with efforts to resume operation of street cars with imported labor.

W. H. Rogers has been instructed here from St. Louis to act as concilator for the federal labor department. The union asked for a conciliator.

Sixth Day Without Cars

New Orleans entered its sixth

(Continued on Page 5)

CONTINENT WAS SPANNED MONDAY BY PLANES-TRAINS

COLUMBUS, Ohio, June 8.—(AP)—Despite rainy weather, the air-rail service of the Pennsylvania railroad and the Trans-Continental Air Transport, Inc., was inaugurated here today.

Two planes "The City of Columbus" and the "City of Wichita" took off from Port Columbus. The "City of Columbus" soared into the skies at 8 15 a. m., and the other plane followed a few minutes later. Each ship carried 10 passengers.

In Washington, Secretary of Commerce Lamont pressed a button in his ofifce, a gong sounded at the airport here, and the "City of Columbus" took off for Indianapolis. Miss Amelia Earhart, trans-Atlantic flyer and assistant general manager of the T. A. T., was one of the passengers in the first plane.

Miss Earhart, along with most of the other passengers, came to Columbus this morning on the Airways limited that left New York last night. Less than half an hour after the train pulled into Port Columbus, the passengers were winging their way west in the planes.

The flight from here to Waynoka, Okla., of the two ships marked the first time in the history of aviation that train and plane have been linked in regular transcontinental service.

Fort Worth Fireman Thrown Under Street Car Monday Morning

FORT WORTH, July 8—(AP)—Benjamin O. Keeton, 26, fireman, was killed today when he was hurled from a speeding truck under the wheels of a Lake View street car. The fireman was dragged several yards and it was almost half an hour before his body could be removed from under the car.

PATHFINDER HOPS OFF ON LONG LEG FLIGHT TO ROME

BELLANCA MONOPLANE IS MAKING GOOD HEADWAY AT LAST REPORT

GLOUCESTER, Mass., July 8. (AP)—The coast guard amphibian plane, piloted by Lieut. Leonard P. Melka, which accompanied the trans-Atlantic Pathfinder to sea and which was at first believed to have been forced down because of an exhausted fuel supply, returned to her base here this afternoon.

It was believed Lieut. Melka strayed in the fog.

OLD ORCHARD, Maine, July 8.—(AP)—Successful in their third attempt to take off from the beach here, Roger Q. Williams and Lewis A. Yancey were presumably winging their way toward Rome in the monoplane, Pathfinder, today.

There was a possibility, however, that the flight might be in the nature of a test flight as Yancey told Ben Zebor, his mechanic, that if a careful check of gasoline consumption the first few hours showed they were using too much fuel the plane would be brought back.

The Pathfinder took off at 8:49 a. m.

Three planes accompanied the Pathfinder. A coast guard amphibian was on the left, a small commercial plane on the right and a large commercial amphibian close in the rear.

The Pathfinder seemed to be just able to hold a 100-foot altitude as it passed out of sight. This was the ceiling of the machine as computed by Williams before the take off.

Accompanying Plane Returns.

The small commercial plane returned to the beach in a few minutes.

Yancey said they planned to land at an airfield about 15 miles south of Rome. "I am a working

(Continued on Page 5)

PLANS COMPLETED FOR BARBECUE AT WILDCAT FERRY

NAVARRO AND ANDERSON COUNTIES TO CELEBRATE HIGHWAY LOCATION

Plans for the barbecue and picnic at Wildcat Ferry Friday, July 12, commemorating the designation of a state highway between Corsicana and Palestine via Wildcat Ferry were outlined at a meeting of committeemen at the Corsicana chamber of commerce Monday morning at 10 o'clock. Committees to have charge of the various phases of this celebration were appointed and the various details of the work were discussed. R. J. Jackson, general chairman, and a number of local committeemen are going to Wildcat Ferry Tuesday noon for a conference at the Ferry with Anderson county committeemen with reference to the final details of the huge celebration.

This picnic and barbecue is being put on by the citizens of Navarro and Anderson counties and is being sponsored by the Corsicana and Palestine chambers of commerce. The Navarro county committeemen are to furnish the meat and the Anderson county peo-

Four Injured In Los Angeles By Earth's Tremors

LOS ANGELES, July 8.—(AP)—Four persons, two men and two children, were injured in an earthquake which severely shook Los Angeles and communities within a 30 mile radius at 8:45 a. m., today. These injuries were reported from Santa Fe Springs, oil town fifteen miles south of here.

Long Beach, Hermosa Beach and Santa Monica, on the Pacific ocean, felt the tremor more than the inland communities of Pasadena and Glendale.

The tremor was an undulating north and south movement, causing chandeliers in some buildings to sway like pendulums, rattling windows and moving small objects, but causing no damage.

A second tremor of less intensity, was felt an hour later at 9:45 o'clock.

In Long Beach the Press-Telegram building at Sixth street and Pine avenue was rocked for more than fifteen seconds causing the machines in the composing room to vibrate while printers were getting out the first edition.

Other buildings in the city rocked perceptibly. Considerable excitement was created as it was the first earthquake of any consequence ever felt there.

PLANS BEING MADE FOR TRYING ALLEGED SLAYER OF FATHER

LOYD DAVIDSON MURDER CASE TRANSFERRED TO NAVARRO FROM LIMSESTONE

Plans are being completed by both the State and defense attorneys for the scheduled trial of Loyd Davidson, 34, of Limestone county on a charge of murder transferred to the Thirteenth Judicial District Court before Judge Hawkins Scarborough from Limestone county on a change of venue. The trial is to start Wednesday, July 17.

Davidson is to be tried here for the alleged murder of his father, W. T. Davidson, near Cooledge, Limestone county, May 2. It is alleged that the defendant clubbed his step-mother and father to death and then set fire to their house. Their charred bodies were found in the ruins of the house.

In the trial of Davidson at Groesbeck recently, he was found guilty of murder and given a 99-year sentence.

The state will demand the death penalty in this case and it is expected that it will be a hard-fought case. The state will be represented by Carl Cannon, county attorney of Limestone county, and H. B. Daviss, county attorney of Navarro county. The defense will be conducted by John R. Curington of Corsicana, and Jim Bradley, L. W. Sheppard and Scott Reed, ali of Groesbeck, and all former county attorneys of Limestone county.

It is expected that a special venire of 150 men will be summoned on the orders of District Judge Hawkins Scarborough for this trial.

Insanity may be the pea of the defense, although no official announcement to that effect has been made.

Agricultural Fair At Mexia Early in October Projected

MEXIA, July 8.—(Spl.)—An agricultural fair drawing exhibits from Limestone and Freestone counties will be held in Mexia early in October, according to an announcement by H. P. Balley, of Sherman, who is associated with a circuit of fairs to be held in several places in East, Central and South Texas.

The exact dates of the fair will be set in a few days. The exhibition will be under tents and will have all the features of the old-fashioned county fair, with many modern attractions added. Dr. Ballew will manage the fair.

No attempt has been made at a regular fair in Mexia in many years.

NEGRO BADLY CUT.

TEAGUE, July 8.—Rice Williams, colored, on Thursday night in an affray with his wife lacerated her body seriously; however, it is thought that she will recover. Thus far Williams has not been arrested as he left directly after committing the crime.

FREE LESSONS: Lamp shades, Crystal trees, flower making, glorified glass pictures; it's leasy and it's free. City Book store.

ILLINOIS AMAZON ADMITS STRANGLING MATE BECAUSE OF HIS LOVE FOR LIQUOR

TOULON, Ill., July 8.—(AP)—Laura Weacer, 21-year-old woman of great size and strength, was held today for the torch murder of her common law husband, Wilmer T. Kitselman, 52.

Six feet tall and weighing 230 pounds, the young woman told of strangling Kitselman, wrapping his body in a quilt, rolling it downstairs, lifting it into an automobile and driving into the country where she dumped it by the roadside, poured naphtha over and and then touched a match.

Since Kitselman himself weighed 200 pounds, her signed confession would have been less plausible were it not that she is large and muscular. For several days after the burning body was found by two farm boys July 1, it remained unidentified. A brother finally made the identification.

Woman Admits Killing.

After two hours questioning, the woman detailed the story of her affair with Kitselman and its ending. Her confession told of her growing disgust with Kitselman's drinking.

"He came to our room over the gambling house at Wyoming, Ill., Sunday morning, (June 30)," the confession said. "He had been drinking. He grabbed a chair and tried to strike me with it. I got away from that. Then he tore a mirror from the wall and brought it down on my head. It smashed in a thousand pieces and almost stunned me.

"Finally I got him on the bed and sat watching him an hour. He got up, drank some more and fell back on the bed in a stupor.

"I took off his belt and punched more holes it in so I could draw it tighter. Then I pulled it around his neck until he got blue in the face. Then I hooked it.

"It was about 11:30 a. m., Sunday. Most of the folks in town were at church. I pulled the old patchwork quilt from under him and threw it over his head. It seemed a long time that he continued moving under the quilt. Finally he was still.

"I got some fish line and tied him up, bending him so his chin rested on his knees. I rolled him off the bed, and wrapped the quilt around him.

Rolled Body Downstairs

I went down and drove the coupe up to the door. Then I went back. I didn't want to carry such a load down, so I rolled it down the stairs. At the foot of the stairs I picked him up and put him in the back of the coupe."

She told of driving out of town, of stopping to buy naphtha and of leaving the main road for a little-frequented byway. Then she continued:

"I took the bundle out and threw it beside the road in some weeds. I poured naphtha over it, threw the jar away, and touched a match. It was blazing hard when I drove away."

The Wyoming landlord from whom the Kitselman had rented became suspicious at the protracted absence of his roomers. An investigation which ended with Laura Weaver's arrest was begun.

The girl's father, Henry Weaver, is a prosperous Fox valley farmer. Until a short time ago she had been living in Peoria with Kitselman, their common law relationship having extended over a period of about two years.

Teague Scouts on Annual Camp to Be Held On Bosque

TEAGUE, July 8.—(Spl.)—Monday morning, July 8, the first contingent of Scouts left for the annual summer Boy Scouts camp of the Limestone-Freestone council. The camp will be held at the falls of the Bosque, near Valley Mills.

The following Teague scouts will attend the camp: Sterling Proctor, Billie Withrow, Walter Kerr, Otto Presley, Leroy Petty, Bruce Adams, F. D. Savage, J. D. Guggolz, Houston Emerson, Gwynne Jeanes, Wilson Erwin, Clifford May, Tommie Call, Leslie Robinson, Charles Gray, Garland Owens, Richard Avery, Forest Eubank, Willie McVey, Fred Belk, Lary Loggins, Clarence Owens, Courtney Sheffield, Robert Kennedy, Carl Critz, Tyrus Petty, and Mascots Albert Withrow and Leroy Chase.

Young Teague Matron Died There On Friday

TEAGUE, July 8.—(Spl.)—Mrs. Leslie Shepherd, 18, died at her home here Friday of a complication of diseases. Interment was made Saturday in Greenwood cemetery.

The deceased is survived by her husband and her five months old son, David Leslie, and a number of brothers and sisters.

Home Demonstration Clubs Meet Saturday

A meeting of the Home Demonstration Council of Navarro county is called for 2 o'clock next Saturday, July 13, at the Chamber of Commerce. All clubs over the county are urged to be represented as some very important business must be taken care of and it will also be the last council meeting before the short course at A. and M. College. All clubs please take notice and make arrangements accordingly —Secretary.

Automobile Crashes Into I. O. O. F. Bus

An automobile collided with the I. O. O. F. Home pasenger bus Saturday afternoon and both cars were considerably damaged. No one was seriously injured, but some of the children of the Home received only minor injuries.

The accident occurred at the entrance to the Home as the bus was being driven onto the highway.

SALVATION ARMY CORPS INSTALLED OFFICERS SUNDAY

COMPLETE REORGANIZATION TO BE MADE BY ENSIGN STEVENSON

A complete reorganization of the local Salvation Army corps will take place in the near future, according to an announcement by Ensign William Stevenson, the new officer in charge. The installation services were held in the army hall Sunday night at 8 o'clock, at which time the new officers were welcomed. Ensign and Mrs. Stevenson arirved Saturday afternoon from Atlanta, Georgia, to succeed Captain and Mrs. G. W. Thomas.

Ensign Stevenson stated there would be a meeting of the girls' Life Saving guards at the Army hall at 7:15 Tuesday night. He expressed his desire to have a large number of girls between the ages of 11 and 18 years present. The only stipuation to become a life saving guard is that the members must attend some Bible school.

Boys' Life Saving Scouts of the world will meet at 4 o'clock Thursday afternoon. Ensign Stevenson stated this group of boys is conducted on similar lines with the girls guards. All boys between the ages of 11 and 18 years who are interested in becoming members are asked to be present Thursday afternoon.

Special soldiers meeting will be held at 7:30 o'clock Wednesday night. The object of this meeting is to attend to business, and to outline a campaign for the summer months. A large attendance is anticipated by Ensign Stevenson.

MEXICAN DIED SATURDAY.

Elejo Fabares, 40, Mexican, died at his residence on North-Thirteenth street, Saturday night at 9 o'clock, and the funeral was held Sunday afternoon with burial in Oakwood cemetery. The funeral was conducted by Rev. Aaron.

Mother "Uncle Jake" Dies in Fort Worth

FORT WORTH, July 8.—Mrs. Sallie Lou King, 69, widow of the late William H. King, died at her home here at noon Sunday. Mrs. King had been in ill health for months and a decided turn for the worse occurred last Friday.

Mrs. King was born in Greenville, Nov. 12, 1860, and before her marriage was Sallie Lou Hale, daughter of Hugh C. Hale, Hunt county pioneer. Her husband, a pioneer cattleman of West Texas, died last March at the home here.

Mrs. King is survived by the following children: Mrs. James E. Burgess, Mrs. Roy J. Vanham and Mrs. Roy Kelley, all of Fort Worth and J. Wylie King of San Antonio, and Oswin K. King of the Dallas Journal.

Funeral services will be held at 10 o'clock Monday morning with the Rev. William Anderson of the First Christian church officiating. Burial will be in Greenwood cemetery.

INCREASE SHOWN IN ATTENDANCE SUNDAY AT FIRST BAPTIST

J. Howard Williams, pastor, preached twice Sunday to large audiences at the First Baptist church.

The attendance of the Sunday school showed an increase over the preceding week. The attendance Sunday was 615. There were 140 who attended the B. Y. P. U's., which also was an increase over last week.

Special music included anthems by the chorus choir and solos by Mrs. Calvin White and Dow Mooney.

Rev. Mr. Williams ended his series of services at White's Chapel school house with an afternoon service Sunday at 3 p. m. Services were conducted there each night last week by the pastor.

Thousands Attend Annual Reunion of Confederate Camp

MEXIA, July 8.—(Spl.)—The curtain was drawn Friday night on one of the most successful reunions Joe Johnston Camp, United Confederate Veterans, has had in a number of years when at Jacks Creek park, five miles west of here, thousands of people gathered. On the night of the 4th the fireworks display by the Groesbeck American Legion post attracted 10,000 people.

Only about a dozen confederte veterans were on hand for the reunion but the younger veterans carried on the reunion for them and those who did attend enjoyed the gathering.

Programs were held in the pavilion throughout the day. There were band concerts and dances through the day and evening.

Numerous Complaints In Corporation Court

A number of complaints were before Judge H. S. Melear in the corporation court Monday morning as a result of the police department's activity during the week end.

The police blotter revealed that Policeman Sheets chased "several neckers" out of the city park Saturday night.

The car of R. E. Grimmett of Barry was reported stolen Saturday and was reported recovered by the sheriff's department near Emhouse Sunday.

A negro woman was arrested for Waxahachie officers.

Three were arrested for intoxication, one for disturbance and three for gaming.

One man was fined for failing to connect with sewer.

Rheumatism

Treatment That's Different

Rheumatism is one of the most baffling as well as one of the most prevalent and annoying diseases that man is heir to. Its causes are deep in the organic functioning of the system, mysterious and never entirely certain. But experience has proven that a contributing agent is a disordered urinary system. A treatment that reaches the kidneys and bladder will relieve rheumatism. For this end our treatment is designed.

Inabine is Different

1. It is the result of scientific study, observation, experience and demonstration.

2. Its efficiency is attested by thousands of benefited users. We have the sworn testimonials.

3. Its prescribed dose is so small, yet powerful, that although the bottle is small, it furnishes full treatment for a month.

4. It is absolutely guaranteed.

If you are a sufferer, here is your chance. If you are not benefited it will not cost you a cent.

FIRST STATE BANK
CORSICANA, TEXAS

Fundamental Principles

Steadfast adherence to certain fundamental principles, despite recurrent changes in the banking vogue, has guided the policies of this bank for more than fifty years.

Our ideal has been to make the First National Bank of Corsicana large enough to offer complete banking facilities and yet keep it so individual that personal attention could be devoted to all details of the various functions of banking.

NEW RECORD MADE FOR LIGHT SHIPS ON SUNDAY FLIGHT

ZIMMERLEY MADE NON-STOP TRIP FROM BROWNSVILLE TO WINNIPEG

WINNIPEG, Man., July 8.—(AP)—A new world' non-stop long distance record for light aeroplanes was established yesterday when Wight S. (Barney) Zimmerley flew from Brownsville, Texas, to Winnipeg.

Zimmerley, holder of altitude records for light planes, landed at Stevenson aerodrome at 6:45 o'clock completing the 1,725 mile flight in 16 hours to beat the previous distance record by 758 miles.

Last year, Harry J. Brooks in a plane weighing under 771 pounds, flew 972 miles.

Zimmerley's monoplane, equipped with a 60-horsepower motor, weighs 726 pounds.

Fog and rain were encountered, shortly after the start. Zimmerly ran into a fog, the engine started to miss, and he could reach an altitude of only 400 feet, but the motor became adjusted, and from then on it worked perfectly.

"From Brownsville, the most Southern point in the United States to the town of Wilson, a distance of 600 miles, there was no sight of land," said the pilot.

The route then swung to Cogswell, N. D., Zimmerley's home town where a message was dropped. Over Kansas, Nebraska and a part of South Dakota the weather was clear, but rain was encountered in northern South Dakota and North Dakota.

COUNTY-WIDE RALLY FOR FARM BOYS-GIRLS AT PARK THURSDAY

A county-wide rally for the 4-H club boys and girls will be held at the city park Thursday, it was announced Monday morning by Henry Gentry, county farm agent, and Miss Mattie Wilroy, county home demonstration agent.

Feauring the days' entertainment, all boys and girls attending the rally will be treated to a picture show party as the guests of Leslie Wilkes, manager of the Palace Theatre. During the day, contests of various kinds have been arranged.

A basket picnic will be held at noon in the pavilion. The cold drinks for the occasion will be furnished by the Corsicana Coca-Cola Bottling Company.

California Town Has First Earthquake

LONG BEACH, Cal., July 8.—(AP)—An earthquake tremor which lasted more than twenty seconds, was felt all over the central part of this city at 8:47 a. m., today. It was the first severe shock ever authentically reported in this beach city.

The tremor was felt in all big buildings in the city. No reports of accident or damage had been received at the police station when a check up was made.

BODY RECOVERED.

PARADISE INN, Rainier National Park, Wash., July 8.—(AP)—The body of Forrest Greathouse of Seattle, found standing upright in a block of ice, was chopped out of a creavasse on Ingraham glacier, Mount Rainier Sunday, where it had lain since Tuesday when Greathouse, with five others, fell into the ice crack.

California Flyers Confident They Can Make New Record

CULVER CITY, Cal., July 8.—(AP)—Confidence rode the single motored biplane "Angeleno" today with Pilots L. W. Mendell and R. B. Reinhart as the passing hours brought them nearer the record of 174 hours 59 seconds for sustained flying which they hoped to surpass.

At 12:29:30 a. m., the fliers had passed the 137 hour mark in their flight which started at 7:20:30 a. m., last Tuesday. Should they keep their plane in the air until 2:30:29 p. m. tomorrow, they will have shattered the mark set at Cleveland by Roy L. Mitchell and Byron Newcomb last week.

Mendell and Reinhart kept their plane droning close to the lighted airport here. The 220 horsepower motor was functioning perfectly.

NEW PEACH-PITTING MACHINE CLAIMED TO BE GREAT SUCCESS

GALVESTON, July 8.—(SP)—A new peach-pitting machine, recently invented by an Australian, is said to be giving good results, according to information received by Richard C. Long, district manager of the Galveston office of the department of commerce, from Trade Commissioner E. C. Squire at Sydney, Australia. The machine is now being installed in canneries nad fruit factories throughout the commonwealth, and the patentee has recently left for Canada and the United States to try to do business in those countries.

The machine is claimed to overcome a difficulty hitherto experienced in canneries by slicing the fruit effectively removing the stones quickly and in one operation. It makes a clean and complete cut, and does not bruise or otherwise injure the flesh of the fruit. It is asserted locally that the machine will reduce canning and handling costs of peaches. Operated by one girl it is said to be capable of treating 250 cases a day, whereas one girl pitting by hand disposes of only twenty-five cases per day.

The machine is described as being comparatively small, safe to work and, extracting the stones in such a manner that waste is reduced to a minimum, and that it will treat fruit of any size.

HUSBAND CONVERTED TO FLYING.

NEW YORK, July 8.—(AP)— Mr. and Mrs. F. Le Moin Page of Pittsburgh had a difference of opinion. She wanted to learn to fly. He objected. They compromised. She came to New York to learn. He followed. Both 'sook solo flights the same day. Now they are going to buy a plane.

COULDN'T STAND LUXURY.

LOS ANGELES, July 8.—(AP)—Writing her husband she can't stand expensive things, Mrs. Claude Derring has forsaken the luxury he gave her and gone back to the old restaurant life. She was a waitress again. Six years after she married a railroad brakeman, oil was found on his Wyoming homestead. He has obtained a divorce.

FIFTH BANK IN BIRMINGHAM, ALA., DISTRICT CLOSES

GENERAL MOVE TO RESTORE CONFIDENCE BEING PUSHED BY CITIZENS

LEEDS, Ala., July 8.—(AP)—The Leeds State bank failed to open its doors today. Officials announced the affairs of the institution had been placed in the hands of the state banking department following a heavy run on Saturday. The Leeds bank was the fifth to close in the Birmingham district within the past two weeks. The institution was capitalized at $25,000.

BIRMINGHAM, July 8.—(AP)—While search continued for the body of Dr. A. W. Bell, president of the closed Woodlawn Savings bank, reported to have been drowned, Saturday, state bank officials and city leaders moved today to guard against further closure of suburban banks and to restore confidence.

Citizens were called upon by the banking leaders, the president of the city commission and in newspaper editorials to "quit worrying about the banks and to stop a wave of hysteria that has threatened the city since the closing of four suburban banks."

Residents of near Vincent, Ala., where Dr. Bell was reported to have been drowned, dragged the Coosa river but found no trace of the body.

J. B. Lassiter, president of the City Bank and Trust company and the Avondale Savings and Trust company, continued ill in a New York hospital where he has been since he collapsed when his two banks were closed.

John R. Wallace, cashier of the Avondale bank, died the day before that bank closed from a pistol wound said to have been accidental.

CARD OF THANKS

We take this method to thank all those who assisted us in any way during the recent sickness and death of our dear sister and mother.

May the Lord reward you for your faithfulness is our prayer.

BRITISH PARLIAMENT HELD FIRST MEETING; CABINETS HAD TROUBLES LAST WEEK

By SAVINGTON CRAMPTON
Cable Editor, the Associated Press

The British parliament, meeting for the second time in its history under a labor ministry, opened at Westminster early last week, and the members of the house of commons together with their French colleagues of the chamber across the channel in Paris, furnished most of the important international vents of the week.

Labor's program presented in the king's speech from the throne was mild enough to shock its "left-wing" members and was rewarded with a kind of tacit lease on life for the cabinet until early in 1930 from the conservative and liberal opposition.

At that time Winston Churchill warned the government the conservatives would ask labor to put its policies before the house on a vote of confidence so the house might pass upon them.

Announcement that steps had been taken for renewing trade relations with Soviet Russia, broken off in 1927 by the conservative raid on the headquarters of the Russian commercial delegation in London, and that the option clause of the world court statutes would be accepted, were the important features of the speech in foreign affairs.

French Finance Discussed.

The French parliamentary committees on finance and on foreign affairs fumbled with the question of ratification of the Mellon-Berenger debt accord during the week.

Both committees, by a narrow margin of votes and with many absentions, voted to incorporate in the text of the ratification bill a safeguard clause to the effect that French payments would depend on fulfillment by Germany of its obligations on reparations.

Premier Poincare's government is firmly opposed to this measure, though will to accept such a clause as an annex to the bill. The premier will stake the life of his cabinet on the question and a real battle may be expected before August 1.

Two cabinets resigned in different quarters of the globe. Baron Tanaka's conservative government in Japan gave way to a liberal ministry under Yugo Hamagachi. In Portugal Premier De Freitas and his ministry resigned because of disagreement among themselves.

A new Spanish constitution, which makes Spain a constitutional monarchy with Roman Catholicism as the state religion, was presented to the national assembly by Premier Primo De Rivera's government. It will be voted upon in October.

NO KEYS TO JAIL.

OSSINING, N. Y., July .—(AP)—A state prison to be built at Attica, N. Y., will have no keys or keyholes. Cell doors will be operated by compressed air. At lockup time each prisoner must record his presence in his cell by pressing an electric buzzer.

TULSA DIVORCEE WILL HAVE TO FIGHT THRU MORE COURTS

AWARDED $25,000 IN HEART BALM SUIT; WANTED $250,000

CHICAGO, July 8.—(AP)—Awarded $25,000 in her $250,000 breach of promise suit against Franklin Harlinge, Ann Livingston, Tulsa divorcee, will have to fight through more courts to collect the money. After the verdict Saturday night, attorneys for Hardinge filed a motion for new trial and announced they would file an appeal if the new trial was not granted.

The award of the jury was for breach of contract only, although the defense demanded punitive damages on the ground Mrs. Livingston's character had been untruthfully blackened during the trial.

Both sides have hinted they might file perjury charges against witnesses.

Identity Foundered Vessell Is Unknown

LONDON, July 8.—(AP)—Identity of a vessel reported by Lloyds to have been sunk by an explosion near Smithknoll lightship, off the Norfolk coast, has not been established.

The Danish ship Arneberg, which wirelessed the information a vessel unknown to it had foundered, was cruising in the vicinity, and the minesweeper Selkirk and other craft joined the search, but without finding a trace of the vessel or those aboard it. The explosion was supposed to have been about 30 miles off Great Yarmouth.

POLITICAL RUMBLINGS.

The political pot has started to boil in Texas. Although the steam from the spout is only a barely visible vapor at the present it will not be many months until the lid will blow compltely off and roar skyward releasing issues and candidates to cloud the otherwise bright skies for which the landscape of the Lone Star State is justly famous.

The announcement Wednesday by George Purl, Dallas, member of the House of Representatives, that he will be a candidate for State Senator from Dallas to succeed Tom Love, present senator and announced candidate for governor in 1930, has special interest for Navarro county as observers now see a change in the complexion of the race for speakership of the house next year.

During the present terms of the legislature, Purl of Dallas, and Ernest C. Cox, flotorial representatve from Navarro and Hill counties, have held the spotlight as most likely candidates for the speakership and those in close touch with legislative conditions predicted the real race would be between the Dallas and Navarro county representatives. Of course, the race was dependent upon both being re-elected.

It is understood from reliable quarters that Cox will be a candidate for re-election next year and if re-elected he will be a candidate for the speakership. Friends of the flotorial representative see victory for him should he seek the *honor*. It is pointed out by his supporters that he is not only a veteran of the law making body but is also recognized as a leader. He is serving his sixth year in the Legislature and is popular with his colleagues.

FIFTEEN YEARS PROGRESS.

June 28 was the fifteenth anniversary of the assassination at Sarajevo of the heir to the throne of the dual monarchy and his consort, a crime that set in motion a train of events that in little more than a month resulted in the start of the greatest war in the world's history. The day was also the tenth anniversary of the signing of the Treaty of Versailles.

Although the war is still fresh in the memory of most adults as a recent thing, the occurence of the fifteenth anniversary of Sarajevo is a reminder that half a generation has elapsed since its start and men and women are voting and taking up their life's work who were children when the great conflict broke out and had in many cases only the vaguest knowledge at the time of what was going on. This ought to help extinguish old grudges and hates, and help the word of reconciliation, but it also has the danger that those who had not the personal experience of the horrors of war or the stresses and sacrifices of the war period have not the motive to hate and avoid it that those have who were adult at the time.

There is thus a certain danger in the growing remoteness of the contemporary world from the events of 1914. But there is also a circumstance of hope and promise.

Fifteen years ago there were statesmen and men of good will in every European country who saw what was coming and strove helplessly to avert it. Good will will never again so completely lack means and machinery to serve its purpose.

Although the League of Nations was weakened by the failure of the United States to join it, it still may be made the potent instrument in another world crisis for international intervention. No government could reject its right to inquire, protest, and press for settlement.

Also important is the changed attitude of the nations toward war expressed by the Kellogg pact, to which the belligerents of 1914 are now signatory. Fifteen years ago war was a natural and *traditional instrument of national* policy which some of the governments then existing were eager and glad to use. Governments may still resort to war, but if they do so for aggressive purposes they face the reproof and restraint of national and international conscience. Peace and good will have the prestige and advantage of normalcy in the international sphere. The world's moral condemnation is henceforth against the aggressor.

The next war, object of so much speculation and so much dread, recedes ever more and more into the region of the improbable, even of the incredible.

TEN OBSTACLES.

"There are ten things that hold back and hamstring the development of an increasingly intelligent and free civilization," according to information gleaned from an exchange. "Taken together they throw a searching light on so many of the issues that confront us as a people," the writer continues and then enumerates the ten obstacles as follows:

"First, there are very few people in the world who can really think, and the birthrate is lower among them than among those who cannot or do not think.

"Second, there are still *millions who cannot think*, but who think they can think, and who, mistaking their half knowledge for high wisdom, act upon it.

"Third, the unthinking are so often unwilling to trust those who can think.

"Four, there are very few people who know when to let the expert do their thinking for them.

"Fifth, there are vast numbers of people who think only in catch-words and crowd-slogans.

"Sixth, there are too many political, social and economic patent medicines that call merely for public acceptance, not for free and fearless judgment.

"Seventh, social organizations look upon science as a source of many gifts, but not as a spirit that should inspire and guide social organizations.

"Eighth, the control of society is in the hands of politicians who specialize in power, instead of thinkers who specialize in knowledge and wisdom.

"Ninth, education, for all its achievements, has failed to teach the child the spirit of science, which implies a refusal to accept authority without question.

"Tenth, there are too few intelligent men who are more interested in serving society than in saving their own skins and salaries."

Thus has the social physician diagnosed the ailment; it remains for society to effect the cure.

Whether this will effect a cure if any cure is needed, we do not pretend to know, and are only passing it along to our readers for what it is worth.

* * *

The epidemic of "I wish you were here" post cards has settled securely on the stay-at-homes for the remainder of the summer. The only cure is to take a vacation yourself.

* * *

"No two things are absolutely identical," says a New York professor of physics. How about the pitch the umpire calls a strike, and the next one he calls a ball?

* * *

The old-timer who used to sell horses that "any lady can drive" has a boy with a line of cars whose gears can be "shifted at the touch of a finger-tip."

* * *

We seem to be in a period of transition: Kansas City reports a farmer who wears a wrist watch around the sleeve of his red flannel undershirt.

* * *

Almost every girl would like to marry a thrifty man. *Thrifty and uninquisitive.*

The home merchant is your friend — trade with him.

"AN ERA PASSES."

Pennants, Panthers and Jake Atz were the Three Musketeers of the Texas League baseball world for a good many years.

The Panthers still have a berth in the Texas League but Jake Atz no longer leads the Cowtown ball nine to battle for the fickle fans demanded his head—and the cash customers must be served.

Whether the pennant will be chased home to roost by the wiley, slick and well fed Panther is yet to be seen.

Making editorial comment on the removal of the "wizard of the diamond" the Ft. Worth Star-Telegram pays the following tribute to Jake Atz:

"The passing of Jake Atz as manager of the Fort Worth baseball club marks the end of an era. The "Panthers" under the hand of this wizard of the diamond came to be pointed out as the game's greatest example of winning effectiveness. For six successive years the club raced through the ruck of Texas League baseball to finish on top, this great "run" being preceded by a year in which the pennant missed coming to Fort Worth by the proverbial eyelash. In five of these years the Panthers, carrying the colors of the Texas League, triumphed in the "Little World Series" over the champions of the Southern Association. It is a record to be proud of, and the glory that goes to Atz is not diminished by the recognition that must be accorded to the ability of the late Paul La Grave, business manager of the club.

"And, along with its victories, the club came to be more than a winning baseball aggregation. It was an institution in Fort Worth, a credit to the city and to the world of sport. And John Jacob Atz, grizzled fighter and eternal optimist, was the cornerstone of this institution. One by one the great players who brought the string of flags to Panther Park fell out, and their places were filled by newcomers. Atz alone survived to endure the lean years when pennants were not forthcoming.

"Jake Atz carries with him the affection and admiration of Fort Worth. He will be a great manager wherever he lands. And as a perfect tribute to Fort Worth's regard for him, it is likely that every follower of the Panthers hopes he will not land in the Texas League."

BEAUFORD JESTER IN THE PICTURE.

Under the above caption the Waco News-Tribune made the following editorial comment in a recent issue concerning the naming of Beauford Jester of this city as a member of the board of regents, of the University of Texas:

"It is impossible to fool the correspondents all the time. It is impossible to fool the reporters all the time. Correspondents and reporters long ago picked Beauford Jester of Corsicana as successor of Mrs. H. J. O'Hair on the board of regents of the University. He has been named by the governor and confirmed by the senate.

"This makes it interesting all around.

"Now will there be a new president of the Board of Regents? Beauford Jester is a scion of a pioneer family of Texas—a family whose sons have been noted in law and *finance and politics* and agriculture. He is a Texas U. man. According to the inside workers, before the appointment of Jester there was a 5 to 4 board. Now the addition of Jester to the list will make a 4 to 5 board with 5 of the 9 named by Governor Moody."

BOGUS AIR SCHOOLS.

According to Dr. James Sullivan, a member of the state aviation commission of New York, there is urgent need for legislation to control the character and conduct of flying schools and to prescribe the terms on which they may operate. The department of commerce holds the same opinion, and its aeronautical branch is working on a set of regulations and recommendations to raise the standard of air schools in general and eliminate those that are unqualified and unreliable.

This move toward legislative control is a sure sign that there are bogus schools in business that are making capital out of the ambitions of would-be aviators. It always happens so. A new industry attracts a crew of fakers and sharpers, who take toll of the unwise and unwary until the government steps in and stops the racket. With half the youngsters in the country saving and scheming to get to flying school, there quickly arose a crop of fly-by-night schools,, willing to take money of all comers in return for preposterous promises of easy mastery of the air and a good job beyond it.

It is a laborious and expensive process to become a first-class pilot. It may be a dangerous one unless the student equipment is modern and adequate and the instruction competent. It is unfortunately true that the *aviation industry* is infested with those who will take anything from $50 to $300 from a schoolboy and give him nothing of real value in *return*. Those who look with longing eyes at the pilot's license should pick their school with care and consider its record and responsibility before signing on the dotted line.

CLOTHES.

Woman, having emancipated herself from too many clothes, has turned her attention to man and proposes to make him comfortable.

The Women's Federated Clubs, meeting in Savannah, Ga., has by vote decided that man has suffered long enough and something must be done about it. To that end they have decreed "Coatless Week" so that attention may be drawn to the matter.

But nothing is likely to happen. *Men seeking comfort* will unbutton their collars and carry their hats and coats in their hands. But discard them altogether? Never!

* * *

You seldom see the grand manner any more, but there is the man who taps the drug store show case with a coin because he is in a hurry to buy a stamp.

* * *

Statesmen are defined as high-brow politicians. It's absurd. Some of our slickest crooks are most adept at the philosopher pose.

* * *

They often overlook housework as a most effective means of keeping the slender figure that charms.

* * *

The man who thought of air navigation probably was an autoist trying to find a place to park.

* * *

That New Yorker who asks how to dispose of $10,000,000 is going to get a lot of advice.

* * *

No matter how she hides her age it always tells on her.

* * *

Man works hard to establish credit and then often finds it his undoing.

Worried Night after Night as health declined

"I SUFFERED frequently from nervous headaches, and I could not sleep well," says Mrs. Cora Dover, R. F. D. 2, Hickory Grove, S. C. "I was thin and pale. I was so weak I could scarcely walk.

"I tried several remedies but nothing seemed to help me. Night after night I worried because I could see I was going down-hill. I had my children to look after, and I was afraid of what would become of them if anything happened to me.

"I began to take Cardui. It wasn't long until I was beginning to pick up. My strength gradually began to return. I rested better at night and was less nervous. I took several bottles of Cardui, and when I had finished taking it I was in fine health."

COURT HOUSE HAPPENINGS

District Court.

A temporary writ or injunction has been granted by District Judge Hawkins Scarborough, restraining and enjoining H. R. Ross and O. H. Mitchell from interfering with the construction, maintenance, egress, entrance, etc., to the pipeline on 100 acres of the Navarro County School Land league, by the Gulf Production Company and the Gulf Pipeline Company.

District Clerk's Office.

The following cases were filed:

Nannie Cottrell vs. Almer Cottrell, divorce.

Robert Preston vs. Annie Preston, divorce.

Gulf Production Company and Gulf Pipeline Company vs. H. R. Ross and O. H. Mitchell, injunction.

A. J. T. Carroll vs. Grace Carroll, divorce.

Revolving Rib Gin Company vs. F. B. Cumpston, suit on notes.

Warranty Deeds.

Walter A. Smith et ux to J. B. Reese, a lot in the M. Autrey survey, Kerens, $1 and other considerations.

Fred McDaniel et als to Earl McDaniel, 90.75 acres Iredell Redding survey, $1 and other considerations.

Sheriff's Office.

Matthew Johnson, Lawrence Johnson, David Johnson and Burman Johnson, negroes, all of the Winkler community, were arrested Thursday afternoon in connection with the finding of one gallon of whiskey near Winkler and complaints for the alleged violation of tht prohibition laws were filed against the four.

The complaints were filed in Judge W. W. Clopton's court. The arrests were made by Sheriff Rufus Pevehouse and Deputies V. McMurray and Alton Bradley.

Six were arrested Thursday by the sheriff's department on charges of drunkeness.

Justice Court.

Three were charged by complaint with drunkeness in Judge S. B. Jordan's court Friday morning.

Three were charged by complaint with drunkeness in the court of Judge W. W. Clopton Friday morning.

Two persons paid fines for drunkeness and one for vagrancy in Judge W. W. Clopton's court Thursday and Friday.

Can You Judge a Piano?

UNLESS you are an expert, keep away from piano "sales." Pianos are not seasonal—they do not spoil! There are few legitimate reasons for a "piano sale" * * * Here is an all-the-year-round item that you can buy at this store at any time * * * The home of refinement and culture must today have a Grand Piano. This does not necessarily mean an expensive instrument * * * Gulbransen is putting hundreds of thousands of dollars into the purses of Grand Piano buyers by making available the new Gulbransen "Home Culture" Model Grand Piano at the startingly low price of $495 * * * Features that make for permanent Grand Piano *satisfaction*: Heavy, strong frame * * * Nine-ply rock-maple pin block * * * Genuine Dupont Duco finish, practically indestructible * * * Genuine ivory keys.

A. G. Gulbransen, the master piano builder, has given fifty years of his life to the music business. This is his contribution to the American people.

New Gulbransen Grand $495.
NATIONALLY-PRICED
Others, $650-$1175

CHANGE NOMADS TO PEASANTS.

DISFUL, Persia, July 5.—(AP)—Conversion of the nomad tribes of the province of Luristan into peasant farmers will be attempted by the Persian government by the allocation to each of a piece of land. Officials hope to divert the energies of the wanderers from their habitual rebellions against taxes and dress reform.

Sun Want Ads Bring Results.

"*I am so happy* . . that the last pimple is gone"

You may be happy, too!

The way to the skin is through the blood. Strong, healthy blood nourishes the body and fights against infection and disease.

EVERY evening thousands enjoy themselves at dinner-parties, dances, theatres, games, clubs. Many thousands more are denied the joy of such merriment and happiness.

Maybe this denial is due to a skin trouble. First impressions cannot be good without a clear skin—first impressions are quickly made and are not soon forgotten. Old friends may excuse pimples and secretly sympathize, but new acquaintances may not be so charitable. Skin blemishes are not inviting. Neither can they be covered up. They embarrass. Hold people back. Steal away joy and happiness.

A lovely—clear skin—is within the reach of all. To those who have lost it, hope is offered. You, too, may have a beautiful skin, rose-petal in texture, pretty as a picture and without a single pimple.

Many thousands have regained their strength and charm by taking S.S.S. It is Nature's own blood tonic for raising the body's power of resistance to disease, improving the appetite, building firm flesh, and clearing the skin.

S.S.S.

S.S.S. is made from fresh vegetable drugs and has a successful record of over 100 years back of it.

Take S.S.S. at meal-time. You will be delighted with its blood building and tonic effect.

All Drug Stores sell S.S.S. Ask for the larger size. It is more economical.

A SIX IN THE PRICE RANGE OF THE FOUR

PATHFINDER HOPS OFF ON LONG LEG FLIGHT TO ROME

(Continued from page 1.)

man and I am going out to do a day's work," Yancey said when newspaper men asked him for some statement juse before the take off. Williams, as usual, would not comment.

The Pathfinder, a Bellanca monoplane, powered with a Wright motor, bears the insignia "NX 3789" in black on the tail and underneath the left wing. The wings and tail are painted with aluminum paint and the fuselage is a light green with the name "Pathfinder" on both sides.

As the fog lifted for a moment, spectators on the beach could see the Pathfinder and its two accompanying amphibians circle, apparently in an effort to gain altitude.

Aboard the commercial amphibian were a dozen persons, among them Thea Easche, eGrman aviatrix.

Attempt Eastern Courst.

The fliers planned to strike almost due east to the tip of Capee Cable, N. S., there to head east, south-east to the "corner," a junction of steamship lanes, about 1,000 miles from Old Orchard.

Their course was laid along the 41st latiude, passing 100 miles north of the Azores and reaching the mainland at Cape Ortegal, along the northern tip of Spain. Thty planned to cross Bayonne, France, and head across the Mediterranean, passing over the island of Corsica.

Harold Beedle, representative of an oil company, who was in the commercial plane, which went four miles with the Pathfinder, said the plane was then at an altitude of 600 feet and was gaining more altitude slowly.

"She was going fine," Beedle said.

Some Gasoline Dumped.

Beedle said Williams had dumped some of the 500 gallons of gasoline in the Pathfinder before the take-off. He had checked the gas consumpion of the motor carefully in the two weeks it had been at Scarboro airport and the beach and determined it could reach its objective with 450 gallons. Reducing the load gave an added factor of safety at the take-off.

It was the third time in six weeks Williams and Yancey had essayed a take-off. The other two attempts both of which were unsuccessful, were made in the Green Flash, sister ship of the Pathfinder.

On May 29 one of the wheels on the Green Flash crumbled soon after the run down the beach started. The rest of the plane was not damaged, and another try was made in June 13. On that occasion one wheel struck soft sand, pulled the plane into a ground loop and smashed it almost beyond repair.

The start, in contrast to the other two, when the plane Green Flash was damaged and finally wrecked, was made in a fog which cused poor visibility. Williams, however, took the heavily laden ship from the sands after a run of a little more than a mile, cleared a steel amusement pier at an altitude of 100 fect nd swung east in a wide circle.

Circled for Altitude.

While still within sight of watchers on the beach he circled to gain more altitude and at a height of 500 feet headed towards Cape Sable, N. S.

The first report as to the plane's progress came from Lieut. M. L. Melka, pilot of a coast guard amphibian which was to accompany the Pathfinder for the first 100 miles.

Twenty-five minutes after the start, Melka messaged the coast guard station at Gloucester, Mass., the Pathfinder was making "good progress."

The flight was to be not only a long distance attempt, but readings were to be made by Yancey to aid Dr. James H. Kimball, New York meteorologist, in forecasting weather conditions over the Atlantic. Dr. Kimball has been the unofficial starter of all trans-Atlantic flights, fliers waiting for a favorable report from him before taking off.

Mrs. Yancey, worn by the many nights of little sleep preparing for the hop off, returned to her room at a hotel here immediately after the start and left orders she was not to be disturbed.

Favorable winds will aid the Rome-bound plane, although some fog will be met until it is 1,600 miles out, according to Dr. Kimball. Relying on these favorable tail winds, Yancey and Williams had their fuel load cut from 500 to 450 gallons just before the start.

Charles Ramsgate, New York attorney and Williams' business manager, said the flier, just before the take-off, instructed him to ship all the Pathfinder's equipment to Rome on the next boat.

Pathfinder Log

(By The Associated Press.)

July 8—7:49 a. m., Eastern Standard time, left Old Orchard, Maine, for Rome, Italy.

8:14 a. m.—Coast guard plane which accompanied Pathfinder for short distance reported she was making good progress and had headed out to sea.

8:50 a. m.—Escort plane turns back, reporting Pathfinder "going fine" about 75 miles off Portland flagship.

Rome Delighted With Pathfinder's Start

ROME, July 8.—(AP)—News of the hop-off of the Pathfinder for Rome reached the Eternal City in the midst of the summertime lunch hour and found few officials at their offices to receive it.

The air ministry's principal secretary, who first learned of the take-off from the Associated Press, expressed delight that the American fliers had gotten away to a good start. He said all government fields would be notified immediately to prepare a reception for the plane.

News of the hop-off spread slowly because of the Siesta hour but as soon as aviation and government officials and the American colony learned of it newspaper offices were bombarded with telephone queries.

Escort Believed Down.

GLOUCESTER, Mass., July 8.—(AP)—The coast guard Amphibian piloted by Lieutenant Leonard P. Melka, which escorted the Old Orchard-to-Rome plane Pathfinder, about 100 miles out to sea, was believed by officials of Base 7 here to be down off Portland, Maine, lightship, her gasoline supply exhausted.

Coast guard vessels in the vicinity were ordered to search for her.

Winds Are Favorable.

NEW YORK, July 8.—(AP)—Favorable winds, the essential factor in trans-Atlantic flying, will aid the Pathfinder as it wings its way over the ocean towards Rome, Dr. James H. Kimball of the New York weather bureau, said today.

However, the plane must battle its way through some fog along the coast and keep south of a dense bank until more than 1,600 miles out. Rains and drizzles will be encountred until beyond mid-ocean.

Reported Going Good

GLOUCESTER, Mass., July 8.—(AP)—Lieutenant L. M. Melka, pilot of the coast guard plane accompanying the Old Orchard-to-Rome airplane Pathfinder, reported to coast guard base 7 here at 9:50 a. m., (Eastern Daylight) he had last seen the plane about 75 miles off Portland lightship and she was "going fine." The coast guard plane then turned back.

Turned to Get Altitude.

GLOUCESTER, Mass., July 8.—(AP)—In a radio message to the coast guard base here, Lieut. L. M. Melka, pilot of the coast guard plane accompanying the Old Orchard-to-Rome airplane Pathfinder, reported the latter to be making good headway. The message was received here at 9:14 E. D. T.

Lieut. Melka reported the Pathfinder had to head westward into the wind to gain altitude shortly after the takeoff. The craft then turned to the east and out to sea.

Description of Plane.

OLD ORCHARD, Maine, July 8.—(AP)—Here is a brief description of the Pathfinder:

Bellanca monoplane.

200 horsepower Wright Whirlwind motor.

Overall length 29 1-2 feet.

Wing Span 50 feet.

Wing lift surface 300 square feet.

Speed—Cruising 90, maximum 135 miles per hour.

Color—Fuselage light green, wings aluminum.

Markings—NX 3789 in black on tail and underside of left wing. "Pathfinder" on both sides of fuselage.

French Flyers Hopeful

CERMONT-FERRAND, France, July 8.—(AP)—Jean Assolant, Rene Lefevre and Armeno Lotti, the three French trans-Atlantic fliers who for so many days kept company with Roger Q. Williams and Lewis A. Yancey at Old Orchard waiting for an opportunity to take off on their own successful Atlantic crossing, today expressed great satisfaction on hearing of the departure of the Pathfinder. "Taking off is the hardest part of the flight," said Assolant. "Our sincerest wishes are with those two brave, charming chaps."

Lotti then added, "I hope they have better weather than we had."

The fliers were guests of the Auvergne Aviation club here.

Convicts Threat Re-Opened Probe of McLean Death

DALLAS, July 8.—(AP)—A threat of a convict against Judge J. H. McClean of Llano, who sentenced the man to the penitentiary several years ago, was placed before the Dallas county grand jury today when it reopened its investigation into the death of the judge's son, William B. McLean, here on May 21.

The investigators renewed their inquiry into the youth's death after his father had come here and uncovered new evidence which discarded the sucide verdict rendered after a coroner's investigation.

The man who was reported to have threatened the judge was said to have been connected with six other slayings. He was thought to be in Houston.

UNION HEADS AND CAR OWNERS SEEK FEDERAL AID NOW

(Continued from Page 1)

day without street car service, thousands continuing to find jitney service and free lifts meeting most demands.

Strikers and their sympathizers, after almost a week of rioting about the car barns which claimed the lives of two car men and wrought property damage running upward of $50,000 apparently were ready to await developments.

They staged a parade through the business section yesterday, approaching as near the car barns as police would permit. A brick was thrown from one of the automobiles as the crowd neared Arabella barn. It was around Arabella and Canal street barns that most of the riots occurred last week, with as many as 3,000 men in some of the free for all battles in which several street cars were demolished and burned.

The Public Service company indicated no further attempts would be made to operate cars with non-union labor at present. The city commission ordered such efforts halted Friday after riots had occurred each time a car was taken from the barns.

SPANISH BEAUTY CAUSTIC.

TENERCLIFFE, Canary Islands, July 8.—(AP)—Senorita Rosario Velazquez, "Miss Spain" at the Galveston beauty pageant, dislikes American men. "They are wholly dominated by their women, who are extremely dominating," she explained on the way home to Madrid.

TWO INJURED IN COLLISION IN FOG OFF BOSTON SUNDAY

ALL PASSENGERS WERE TRANSFERRED SAFELY TO PATROL BOATS

BOSTON, July 8.—(AP)—The steamship Prince George, bound from Yarmouth, Nova Scotia, for Boston with 249 passengers, was in collision with the coast guard patrol boat Agassiz in a dense fog 65 miles cast of Boston light yesterday.

All passengers were safely transferred from the Prince George to the Agassiz, and only one, Miss Seretha Nickerson of Greenwich, Conn., was injured. She was slightly bruised.

Two members of the patrol boats crew were severely hurt. Orlo D. Howsker, seaman, at the wheel when the ships came together, and Alfred R. Johnson, boatswain's mate.

Johnson, although suffering from a severe gash across his forehead, refused medical attention until all the Prince George's passengers had been taken aboard the Agassiz.

The Prince George was struck on her port bow by the coast guard boat. The impact ripped a jaggered hole in the liner's steel side, six feet wide and extending below the water line. The stem of the Agassiz was crumpled but she did not take much water. The liner, on the other hand, suffered a flooding of her No. 1 hold and came into port down by the head and with a slight list.

The Prince George's ten lifeboats were lowered within 15 minutes after the alarm was sounded, and the ship put about and came alongside the Agassiz. Gangplanks were rigged and the passengers, many of them with all their baggage, made their way aboard the patrol boat.

About 15 miles off Boston, the passengers were transferred again, when the cutter Mohave came alongside and relieved the Agassiz in order that vessel might proceed to the East Boston coast guard house for inspection and repairs.

CORSICANA STORE MONTGOMERY WARD TO OPEN AUGUST 10

The Montgomery-Ward Company will open their Corsicana store for business by August 10, according to information received here.

Finishing touches on the building are being pushed by J. E. Metcalf & Son, general contractors, and company officials are due in Corsicana in two weeks to make preparations for the opening.

Commissioners Court In Regular Session

At the session of the Navarro county commissioners court Monday morning at 10 o'clock, the bonds of T. L. Wilson of Purdon and E. O. Pearson of Blooming Grove as public weighers were approved.

The monthly claims were allowed except as noted on the claim docket.

The court was scheduled to consider the agreement with the city officials on the pavement of South Seventh street and East Seventh avenue jointly Monday afternoon.

ADJUDGED INSANE

A negro woman was adjudged to be of unsound mind in the county court Monday morning.

FUNERAL SERVICES AT MORAN

Funeral services for Mrs. Rex R. Smith, who died in Phoenix, Ariz the early part of last week, were held Sunday in Moran, Texas. Through a misunderstanding of instructions the body was sent here and forwarded to Powell for interment.

Mr. and Mrs. R. T. Blakely returned Monday from Moran, where they attended the funeral.

All Kinds of Planing Mill Work

Sash, Doors, Mouldings, Columns, Grills, Store Fronts, Turning Stair Work, Band Sawings, Fly Screens, Etc.

Office and Mill: Corner 9th St. and 4th Ave. Phone 54.

Established 1892.

Furniture of Superior Quality, Artistically Designed, Attractively Finished, always to be found in our store at prices below the average for quality merchandise.

Service of rare efficiency in designing and arranging draperies, interior decorations and home furnishings. Also expert service in modern methods of laying floor coverings of carpets and linoleums.

Our service is the result of many years of experience—research and observation.

WALTON'S

Plumbing Fixtures

ROBERT E. LAYTON

Nowadays experienced house builders build the bathroom first and the house around it. This is new. Nowadays, too, wise home builders demand the best of plumbing fixtures both for the sake of appearance and durability. This, also, is new.

Of all the basic parts of the home, the parts which require modern plumbing have been most shamefully neglected in the past. But that was in the past. Nowadays, if the law does not require modern plumbing and modern fixtures, the builders and owners do require it. And so things have changed, for if the bathroom and kitchen are not the most important parts of the house today, at any rate about 75 per cent of all builders of modern homes think so, and it might as well be conceded that it is.

Convenience, sanitation and appearance are the three things to be sought for when plumbing fixtures are being considered. And builders are seeking all three. The public is becoming educated to fixtures of a certain standard excellence. That standard has been attained, and henceforth will be maintained.

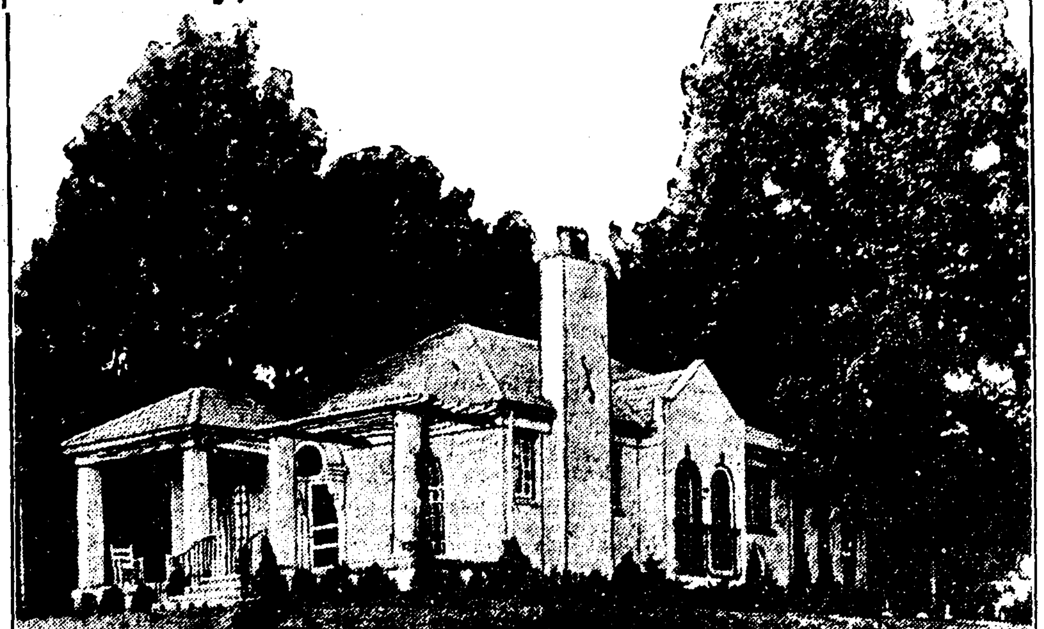
In the last six or seven years, styles in plumbing fixtures have changed like women's fashions. For during this period the public was in the process of learning what it wanted, and the manufacturers of fixtures were in the same boat—they, too, were trying to find out what the public wanted.

Now the public has decided, and the manufacturers have decided with the public. Styles in plumbing fixtures will always be changing a little, but the fundamental elements will not be changed. Plumbing fixtures are just now at the high point of their development. They have in the highest degree the three essential qualities. They are superlatively convenient, are sanitary in the extreme and are proportionate and of good appearance without adornment, which is as it should be with the objects in the most private part of the home.

It has not been very long since plumbing of any kind was considered a luxury indulged in only by the rich and pretentious. But there followed in a few years and for only a few years the most intense interest in this department that has ever been shown in any other part of general province of home building. So that now sanitary plumbing with proper plumbing fixtures is of all necessities the most necessary.

Plumbing is not merely plumbing, nor are plumbing fixtures just pluming fixtures. There is still such a thing as quality and there are still degrees of quality. But like good plumbing, good fixtures will mean economy over a period of time. And are not homes built for many years?

Roomy, Small House in a Beautiful Setting



Seven Rooms Well Arranged

The white portland cement stucco on this surprisingly roomy bungalow harmonizes charmingly with its background of green foliage.

The idea of wooded surroundings is enhanced by the clinging vines which are permitted to climb the columns forming the front porch. The location of this home, on a sloping corner in Lancaster, Pa., permits landscaping that is indeed attractive.

Eighteen windows in seven rooms permit plenty of daylight. Many of these have the half-circle tops and iron grilles, so typical of Spanish design. Two of the windows off the dining room are contained in a short wing, the gabled top of which breaks the roof lines pleasingly.

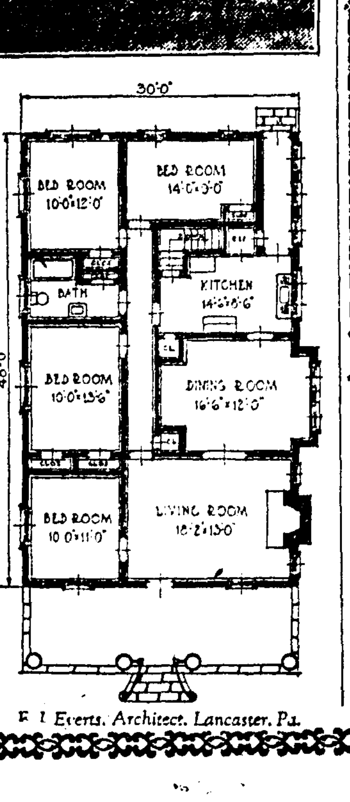
In the interior, the entire left side of the home is occupied by four bedrooms, two of which have cross ventilation. The living room, just off the front entrance, contains a large fireplace and has a double entrance to the dining room. The kitchen is ideally situated, adjacent to the dining room, and convenient to the rear entrance.

The use of permanent construction materials in this house cost very little more than would less durable construction and effectively reduced repair and maintenance expense for years to come.

Concrete masonry was used in foundation and above grade walls. (Either hollow block or concrete structural tile may be used.) Such construction forms hollow spaces in the wall which provides insulation to resist outside temperature changes. Thus, the house is warm in winter and cool in summer.

The rough masonry units furnish an ideal backing for the stucco. These two—walls and stucco—are of almost identical materials and adhesion is perfect.

Such construction, topped with a roof of bright colored tile, makes this home at once firesafe, permanent and beautiful—a source of pride for the owner.



E I Everts, Architect, Lancaster, Pa.

The Truly Modern Home is Equipped with a

General Electric Refrigerator

MANY INJURED IN RIOTS FOLLOWING ATTEMPT RUN CARS

VIOLENCE MET VIOLENCE AND SEVERAL STRIKERS ARE SHOT BY POLICE

NEW ORLEANS, July 5. (AP)—The city commission today ordered the New Orleans Public Service Corporation Inc., to discontinue all attempts to renew street car service here for the time being following a day of rioting by strikers and sympathizers against efforts to operate cars.

NEW ORLEANS, July 5. —(AP)— Violence met violence today in the four-day street car strike as the company attempted to resume service with imported operators under heavy guard.

The starting of three street cars resulted in two strikers being shot down, one with a bullet through the head, innumerable heads being bruised by bricks and sticks and vandalism.

The disturbance centered around the Canal street barn. The first car to leave was greeted with a shower of brickbats and was driven back to the barn after twenty minutes operation. A second car was started, and a mob of more than a 1000 men and a few women stormed it with brick and sticks.

Police Guard Fire.

The police guard, armed with shotguns and pistols, first fired a volley into the air as the mob pressed on, then lowered their weapons and aimed just above the crowd.

Sylvan Thibodaux was shot through the head and was taken to a hospital. Physicians believed him to be dying. William Foret was shot in the left shoulder.

Police reserves, heavily armed, rushed to the scene in response to a riot call and attempted to drive the crowd back. Literally hundreds of minor injuries were reported as the crowd yelled and repeatedly stormed the car.

The second car got through and with broken window-panes made its way through Canal street amid the boos and cheers of pedestrians. This car returned to the barn and a third was started out. The crowd stopped it a block away with a storm of bricks, but the car got another start and went around the belt line, where it encountered soaped tracks and blocked rights

Police Quit Jobs.

When it started back for the barn it was stopped in the middle of the street while the crowd of strikers and sympathizers rained a heavy brick attack. Police fought desperately, but the crowd outnumbered them. The motorman finally quit, and a policeman drove the car to the barn.

Three policeman threw up their badges and arms amid the cheers of the crowd and joined the strikers. Many arrests were made.

The third car was demolished on the lower end of Canal street when it attempted a second trip. The guards and carmen deserted the car while the howling mob completed the wreckage.

Wrecks Starters' House

Toward midday the strikers set upon the Starters' house on lower Canal street, tore it down with picks and their own hands and set fire to the wreckage. Then they applied the torch to a work car nearby.

Edwin Peyroux, president of the union, protested to the city commission council, over the police using firearms declaring the police were not using "sense or judgment."

Many Injured in Night of Rioting

NEW ORLEANS, July 5.—(AP)— After a night of fierce hand to hand fighting between strike sympathizers and workers in which one man was probably fatally shot and more than two hundred slightly hurt, New Orleans public service inaugurated the operation of street cars on eight designated lines today with crews under protection of policemen armed with pistols and sawed off shotguns.

Three patrolmen accompanied each car taken out of the barns while heavy details were assigned to the car barns where the workers are housed in an effort to prevent further outbreaks of open warfare between strike sympathizers and several hundred street car operators brought into New Orleans last night.

Many Arrests.

Brickbat storming and pistol fighting in riots at the Canal street and the Arabella barns caused seventy-one arrests, but the men were freed on charges of disturbing the peace late in the night when haled into court. Scores who participated in a battle of a thousand men and police at the Canal street barn when the company sought to transport a hundred workers to the barn suffered lacerations and contusions that required hospital treatment.

Joseph Morliriero, a striker, who fell with a bullet wound in the neck during the general battle which lasted for a quarter of an hour, was not expected to live.

The disturbance at the Arabella barn was quelled by an army of policemen who emerged blood smeared after a 45 minute round with the rioters. Stones, bricks and other missles hurled by the mob and free use of police sticks accounted for the major part of the injuries and broke out windows in the car barns, though fists figured in the clashes.

Dump Switches Into River.

Public service officials decided to dump into the Mississippi river several car line switches they found solidly cemented rather than to risk opening the boxes.

The flame was fanned into huge proportions shortly after union officials transmitted to public service their rejection of the ultimatum by the company that the strikers must return to work last night by six o'clock under the terms of company's proposed contract or the street cars would be manned and operated without them.

The union men declared the contract failed to grant the proper recognition to the employes organization in that the union was not given a voice in arbitration on suspensions and dismissals of workers.

Bricks Force Car Back.

NEW ORLEANS, July 5.—(AP)—A hail of brickbats greeted the first street car to be operated in New Orleans since the carmen's strike started last Tuesday and after twenty minutes of operation it was returned to the barn.

The car was manned by operators and was guarded by a squad of police armed with sawed-off shotguns and pistols. Strikers and their sympathizers hurled bricks at the car as it went through Canal street but no serious injuries were reported.

A part of the track was found torn up early this morning on Canal street and a large dismantled steam roller was stalled in the middle of the tracks on Carrollton avenue. When workmen attempted to remove it they were chased away by a group of men with sticks and bricks.

President Closed Bank Drowned While Swimming Saturday

VINCENT, Ala., July 6.—(AP)— Dr. A. W. Bell, president of the Woodlawn Savings bank which closed its doors this morning, was drowned in the Goosa river near here about noon tody while swimmig with a party of friends.

Dr. Bell came here to spend the week-end on his plantation near here. A son and the plantation foreman were in bathing when Dr. Bell arrived and joined them. Shortly after re-entering the waer he went down and did not reappear on the surface.

CLEVELAND PLANE SETS NEW RECORD IN HARD FLIGHT

FORT WORTH, July 6.—(AP)— Reg. L. Robbins, pilot of the plane "Fort Worth," probably will offer personal congratulations to Roy L. Mitchell and Byron K. Newsomb, who in the "City of Cleveland" bettered the world's endurance record on last night which had been held by Robbins and James Kelly.

Robbins will leave Fort Worth Monday for St. Louis to pick up his new Ryan Brougham and plans to fly to Cleveland to see the new champions. The Robbins plane was flown to St. Louis for the installation of a new motor by W. T. Ponder while Robbins was touring the Pacific coast recently.

CLEVELAND, Ohio, July 6.—(AP)— Holders of a new world's record for endurance flights of 174 hours and 59 seconds, Pilots Roy L. Mitchell and Byron K. Newcomb today rested after remaining in the air from a week ago Friday until 12:39:50 this morning when they brought their plane to earth at Cleveland airport.

They exceeded by one hour, 28 minutes and 58 seconds the old mark set recently in Fort Worth, Texas, by Reginald Robbins and James Kelley, who remained aloft 172 hours, 32 minutes and 1 second.

Weariness brought the airmen to a landing and the riotous acclaim of 75,000 persons after a flight which became more hazardous and difficult as the days aloft cut down their physical endurance.

Fought Against Elements.

The climax of the attempt came but a few hours before it ended, and the two men said it nearly killed them. They survived a severe electrical storm which damaged their refueling plane in a forced landing and stopped all other air traffic to fight on for the record, attained twelve hours later.

Exhausted, the airmen immediately were taken under guard to a hotel, to sleep throughout the day if they desire. They were spent.

"We broke the record. That's enough. All we want now is sleep," Newcomb said.

Resting with them was Ernest Basham, pilot of the refueling plane who completed 24 contacts during the flight to replenish the supply of gasoline, oil and food.

High lights of the feat followed rapidly last night and early today as the record was reached, a new mark was set, and the landing made.

Crowd Watches Battle.

Roads were jammed for miles, and the airport was crowded with spectators when the record was equalled shortly before midnight. The crowd increased as the Stinson-Detroiter monoplane, City of Cleveland, rode through the darkness, concealed in the murky atmosphere high above the airport.

The waiting crowd watched anxiously as the next hour passed, and joined in a terrific outburst as the record was set at 12:10:52. Rockets and flares were released in salute to the airmen, a display of fireworks added to the brilliance of lights at the field.

A little later the cruising lights of the ship appeared as the pilots dropped from the altitude of 3,000 feet which they had held early in the night. Twinkling against the darkness the lights swung about the airport, straightened out to the east and then climbed again.

Thinking that the flight was to continue, the crowd tried to disperse but few had left their places at 12:37 when a red flare, the signal of a landing, was dropped from the plane.

Crowds Wanted Souvenirs.

Less than ten minutes later the wheels touched earth. Then the crowd charged. Police were helpless. As the pilots swung the ship around hundreds crowded the ship, hanging to the wings and tail as it was taxied to the hangar of the Stewart Aircraft Corporation, backers of the flight.

Mitchell and Newcomb rose smiling from their seats and stepped out. Again the mob fought to get near the fliers. They were hurried into the company's office inside the hangar and many of those unable to follow fell upon the plane, tearing at it with their hands as they sought souvenirs. It was not seriously damaged, however.

The fliers greeted their wives first, then after accepting congratulations hurried to their rest. Their rooms were guarded today while they recuperated.

Robbins and Kelly "For" New Champions

FORT WORTH, July 6. (AP)—Reg L. Robbins and James Kelly, holders of the endurance flight mark shattered last night by Roy L. Mitchell and Byron K. Newcomb, were all enthusiasm for the new champions.

Any rumors that they might attempt to set a new mark were stilled finally by Robbins and at least temporarily by Kelly. Robbins had no intention of shooting for a new record," he said, positively. Kelly thinks it would be foolish to do so, at least until this "wave of enthusiasm for new records has somewhat subsided."

Both fliers wired congratulations to the Cleveland pilots.

"Their feat would have been greater than ours, I feel, even if they had only equalled our record because they seemed to be constantly battling unfriendly elements," Robbins said.

"I am glad these two Cleveland pilots went after our mark and beat it. I am glad that we held it no longer than we did. It is a good sign to see that it was broken so quickly."

RUMORED DICTATOR GENERAL DE RIVERA, WISHES TO RETIRE

RE-ESTABLISHMENT SPANISH PARLIAMENT PROVIDED FOR IN CONSTITUTION

MADRID, Spain, July 6. (AP)—A projected new constitution for the Spanish monarchy has been presented to the Spanish national assembly.

The project details various concepts of the nation, state, religion, nationality, individual rights, the monarchy and succession to the throne.

Reserved opinion was it represented the fructification of the seven years' program to establish Spanish government on a new basis begun by the present dictator, Gen. Miguel Primo De Rivera, Marquis De Estella, when he assumed power in 1923.

The constitution of 1876, nominally in force in Spain, has been in abeyance since appointment of Gen. Primo De Rivera as head of a military directorate, charged with government of the state.

Gen. Primo De Rivera frequently has asserted he is "tired" and will retire from leadership of the country as soon as he has completed his program of giving Spain a new constitution.

Elective Cortes Is Provided For

PARIS, July 6.—(AP)—Re-establishment of the elective cortes, or Spanish parliament, is provided for by the projected new Spanish constitution, submitted to the national assembly for plenary action in October, the text of which has become known here.

The projected constitution would establish Spain as a constitutional monarchy with the executive power vested in the king, and with the ministry to have arbitrary consulative power.

LONG MAN HUNT TERMINATED WITH ARREST OF HUNT

SAN ANTONIO, July 5.—(AP)—An 18-month man hunt was terminated today when a squad of heavily armed police arrested a man identified as Ward Hunt, sought in the United States and Mexico in connection with the slaying of Rip Terrell, retired rancher of Victoria, here in February, 1928.

The man was placed in the city jail where he will be held pending transfer to the county. In addition to the murder charge, Hunt faced bond forfeiture proceedings.

Hunt was indicted on a charge of murder by a grand jury in a district court here in March of last year. He was identified as the killer, principally by the testimony of the dead man's widow.

Several attempts to have the fugitive deported from Mexico were fruitless.

Acting on an anonymous tip, a squad of detectives and police, armed with sawedoff shotguns, surrounded a house on North Flores street and waited for more than two hours before their vigilance was rewarded by appearance of the fugitive.

Terrell, wealthy rancher and realtor of South Texas, was killed in a house off Broadway. The widow accepted the blame at first, police say, but later incriminated Hunt.

AERIAL ACROBAT KILLED

STOCKTON, Cal., July 6.—(AP)— Theodore Penny, 34, of Oakland, aerial acrobat, died here today from injuries received in a 3,000 foot parachute jump over the municipal airport yesterday. Penny's parachute caught on the wing of an airplane and the top of the silk bag was torn when he fell.

INJURED IN BLAST.

McKINNECY, July 5.—(AP)—T. J. Griffin, 60, was injured at Anna yesterday when a charge of explosive in a well went off as he looked down in the pit. It had not been determined today whether he would lose his eyesight.

New Goal Set For California Flyers

CULVER CITY, Cal., July 6.—(AP) —A new goal was set today for L. W. Mendell and R. B. Reinhart as they left the half way mark well behind in their quest for the endurance refuelling flight record.

At 12:29:30 a. m. the fliers had been in the air 89 hours since their takeoff last Tuesday. When informed Roy L. Mitchell and Byron K. Newcomb had set a new mark of 174 hours 59 seconds at Cleveland, the two pilots dropped a note of congratulations, adding the promise they would surpass the new record.

To equal the new record, the 220 horsepower motor, which has as yet given no indication of faltering, must keep up its steady drone until 1:30:29 p. m. next Tuesday.

Rome Flight Postponed.

OLD ORCHARD, Maine, July 6. —(AP)—A beach rutted by the pounding surf today forced Lewis Yancey and Roger Q. Williams to postpone their proposed takeoff for Rome in the monoplane Pathfinder. Weather over the Atlantic was described as "not the best," by Dr. James H. Kimball, meterologist.

Southern Cross in Persia.

BUNDER ABBAS, Persia, July 6.—(AP)—Captain Charles Kingsford-Smith and three companions arrived here at noon today from Karachi, British India, in their airplane, the Southern Cross. The distance was about 700 miles.

The men are flying from Sydney, N. S. W., to London.

REMOVAL OF WESTMINSTER COLLEGE FROM TEHUACANA TO CORSICANA DISCUSSED

At a meeting of chamber of commerce directors and members of the educational committee held Friday morning at 10:30 o'clock, a conference was held with officials of the Methodist Protestant church relative to the proposed bringing of Westminister College, now located at Tehuacana, to Corsicana, but no definite decision was reached after considerable discussion and another meeting of the directors, educational committee and all others interested in the securing of an institution of higher learning for Corsicana, was called to be held Tuesday morning at 11 o'clock at the chamber of commerce headquarters.

Wm. Otte of Washington, assistant national secretary of the postal clerks, appeared before the directors and was profuse in his thanks for the manner in which the chamber of commerce and citizenship of Corsicana had treated the delegates and visitors in the conventions of the postal clerks and letter carriers here Thursday and Friday. He was loud in his praise of chamber of commerce and attributed 90 percent of the progress of cities to the activities of the chambers of commerce.

Seek Retirement Pay Raise

He said that an effort was being made to get the retirement pay of the postal employees raised from $1,000 to $1200 per year. Changes in the assessments on the salaries of the employees for this fund was also suggested. Another thing the potal employees are seeking is a 44-hour week insted of the present 48-hour week.

The postal employees are also against the free services from other departments of the government which causes deficits and he also pointed out that if the present conditions were remedied, there was a possibility that the postage rates might be reduced.

Among those present at the meeting were Dr. Frank W. Stephenson, Pittsburgh, Pa., secretary of the general assembly of the Methodist Protestant church and acting president of Westminster college; Rev. A. R. Corn, Adrain, Mich., assistant manager of the endowment campaign; Dr. J. W. Shell, Beaver Falls, Pa., solicitor of the campaign; H. O. Blanding, H. D. Fillers, Edward M. Polk, F. N. Drane, Lowry Martin, Beauford H. Jester, W. P. Brown, C. L. Jester, Chas G. Jester and others.

THIRTY-SEVEN BILLS FROM SECOND CALLED SESSION ARE FILED BY GOVERNOR MOODY

AUSTIN, July 5. —(AP)— Thirty-seven bills passed by the second called session of the 41st legislature were filed with the secretary of state by Governor Moody today. A number of them will become laws without the governor's approval. He withheld his signature from at lease half the number.

Among those of general interest are:

Creating the board of education of nine members; passed during the first called session, but corrected in the second session.

Authorizing the board of directors of the Texas College of Arts and Industries at Kingsville to make contracts for erection of dormitories.

Emergency appropriationof $11,555.84 for various institutions and departments.

Prohibiting the shooting of firearms in, on, along or across any public road.

Authorizing board of control to set aside lands of the Texas penitentiary at Rusk as may be requisite and necessary for the use of Rusk state hospital.

Authorizing members of fraternal benefit societies to select own beneficiaries.

Authorizing highway department to issue permits for operation of super-heavy or oversize equipment.

Requiring drivers of motor trucks and other vehicles using highways to have and exhibit to peace officers on demand written permit covering movements of livestock and domestic fowls.

Creating Brazos river conservation and reclamation district.

Requiring directors of banks and trust companies to own at least $500 worth of stock and if the capital stock is in excess of $17,500, $1,000.

Exempting the cash surrender value of life insurance policies from liability from debt.

Regulating the operation of motor vehicles on highways, among the restrictions being a maximum speed limit of 45 miles an hour.

Authorizing the commissioner of agriculture to establish and enforce quarantine regulations to protect the agricultural and horticultural interests of the state against importation of dangerous insect pests and plant diseases from other states.

PRESIDENT ANXIOUS TO GET FARM BOARD FUNCTIONING TO BENEFIT FARMERS THIS YEAR

WASHINGTON, July 6.—(AP)— Confident that the federal farm board membership will be rounded out next week, President Hoover has decided to start it July 15 on its effort to stabilize agriculture.

The first meeting, which probably will take place in the White House, will precede the reconvening of the senate by more than a month, but in view of the desire of the administration to have the board functioning in time to relieve the situation affecting this year's crops, the members will go ahead under recess appointments instead of waiting for confirmations.

Five of the members to be appointed already have accepted places on the board, and offers have been made to fill the three vacancies. The president expects to have acceptances for all of these appointments within a few days and the full membership of nine, including the secretary of agriculture serving ex-officio, on hand a week from Monday.

As in the case of the president's law enforcement commission, he is expected to address the initial meeting briefly, emphasizing the importance he attaches to the board's undertaking. It will then be ready to organize, with Alexander H. Legge, president of the International Harvester Company, as chairman.

PERSONAL MENTION

Mr. and Mrs. J. McLachlan, former residents in Corsicana, returned to Denton Friday after spending the Fourth here with Mr. and Mrs. Jim Roxburgh and family. Their two sons remained here and will spend the week-end with their aunt and uncle.

Ben Cartiledge, Lewe Henderson, John Smith and Ralph Carroll, all of Kerens, were Corsicana visitors Friday.

J. Stanford Halley, superintendent of the State Home, will go to Austin Sunday where he will be several days in the interest of the Home.

Roy Nussbaum of Fort Worth spent the week-end in Corsicana.

Cleo G. Miller, assistant county attorney, returned aSturday from a several days trip to Wellington and other West Texas cities.

Miss Cora McKenna left the city today for Mexia where she will visit friends and relatives for several days.

J. E. Tallman, of Emhouse, visited in the city Saturday afternoon.

William Ellis who lives in Frost, was a business visitor in Corsicana Saturday.

J. M. Dycus and family who live in the Angus community, visited in Corsicana Saturday afternoon.

Ike Andrews of Petty's Chapel, was in Corsicana Saturday on business.

Frank Richards, who lives in Drane, visited in Corsicana today.

I. H. Farmer of Corbet was in Corsicana Saturday on business.

G. E. Pryor of Pursley spent Saturday afternoon in the city attending to business.

C. A. Wright of Mildred was here on business Saturday.

A. A. Elmore of Pleasant Grove was in Corsicana Saturday morning.

Dan Rogers of Pickett was a Corsicana visitor Saturday morning.

O. B. Cook of Black Hills was in the city Saturday afternoon.

J. M. Parrish of Emhouse spent Saturday afternoon in Corsicana attending to business.

Tom Stewart of Pickett was a business visitor in the city Saturday.

D. B. Brown of Roane spent Saturday in Corsicana.

Dave Langston of Phillips Chapel was here Saturday.

J. R. Nolan and Jack Ingram of Barry were Corsicana business visitors Saturday afternoon.

D. L. Hayes of Angus was a Corsicana visitor Saturday afternoon.

K. H. Staggs of Blooming Grove was here on business Saturday afternoon.

O. B. Kirk of Black Hills was a business visitor in the city Saturday.

D. M. Sawyer of Dawson was here Saturday afternoon.

W. I. Baldwin of Richland was a Corsicana visitor Saturday.

J. E. Norwood of Retreat spent Saturday in the city attending to business.

Frank Arnett and W. T. Aven of DeArman were in the city Saturday.

Joe Dickson of Pleasant Grove spent Saturday afternoon in Corsicana attending to business.

E. L. Owen of Emhouse was here Saturday afternoon on business.

J. W. Hodge of Pleasant Grove spent Saturday in Corsicana.

C. E. Slaughter of Purdon was in the city on business Saturday.

M. M. White of Navarro spent Saturday in the city attending to business.

Frank Vyers of Emhouse was here on business Saturday afternoon.

W. H. Thorne of Dawson spent Saturday in the city.

J. L. Zuber of Navarro was here Saturday afternoon on business.

Lee Mahoney and wife, who live in the Dawson community, were in the city Saturday afternoon on business.

RAINS CONTINUE FALL IN NAVARRO COUNTY DISTRICT

Local showers continue to fall over the county and in some sections hard rains have fallen. Thursday afternoon a portion of the western section of the county, including Barry, Blooming Grove, Frost and Emhouse in the northern part of the county a hard rain fell. Only light showers fell in the eastern part of the county and Kerens reported no rain at all.

In Corsicana the rainfall was .26 of an inch for the 24 hour period ending at 7 o'clock Friday morning making a total of .55 of an inch during the past 48 hours.

Some difficulty was experienced early Friday morning on the road north of Emhouse where work is now in progress but after the sun came out and a few cars went over the roads no further difficulty was encountered.

HOLIDAY DEATHS REACH 159; LESS THAN LAST YEAR

DROWNINGS TOOK HEAVIEST TOLL; SNOW STORM IN ADIRONDACKS

CHICAGO, July 5. (AP) —America surrendered 159 lives to the observance of its 153rd birthday anniversary yesterday. The Fourth of July death list this year was 46 under 1928, the reduction being attributable chiefly to the number of deaths from drowning and from the heat. In only one division did the 1929 fatalities exceed last year's that was in automobile accidents with 70 this year as compared with 54 last.

Fireworks in themselves continued to play a smaller part in the nation's Independence day death roll. Only seven fatalities from this cause were reported this year as compared with 11 in 1928 and two of them resulted from a fireworks factory explosion and fire July 3.

Drownings were responsible for the largest loss of life, as they were last year; but even so, there were 35 less deaths from this cause than a year ago.

Automobile fatalities, on the other hand, bounded upward from 54 last year to 70.

Nearly one-third of the country's total toll was taken by the Middlewest. The Middle Atlantic states which last year led the country in deaths with 68, had 30 less yesterday, although more than half the deaths from fireworks in the country occurred in that section. The Northwest and the Mountain states had the smallest death lists, each section reporting three.

Temperatures Lower.

Temperatures generally were lower throughout the country yesterday than was the case July 4, 1928 when 12 deaths resulted from heat alone. So far as reports to the Associated Press showed, there was only one from neat, that in Chicago.

Last year airplane accidents took four lives, whereas yesterday only one death occurred from this cause. A year ago, too, there were three deaths in automobile races. The only death from that cause reported this year was at Pompano, Fla., where a driver was killed after he had crossed the finish line in third place of a 20 mile dirt track race.

Stricter Laws Helped.

Stricter laws regulating the sale and use of fireworks was credited with keeping the number of deaths and injuries from this cause down. In Michigan, particularly, enforcement of a new state fireworks law was reported as most effective.

Chicago ordinances prevent the sale of fireworks, but convenient suburbs provided all types of cannon crackers with the result that the Fourth here was unusually noisy. Hundreds of persons were injured, but no deaths occurred.

In New York, 500 children were treated at city hospitals for fireworks injuries.

Contrasting with the 1928 heat was a 10 minute snowstorm yesterday at Speculator, N. Y., the snow falling so fast that holiday motorists, blinded, stopped their cars to avoid collisions. It was the coldest July 4 the Adirondacks country has experienced in years.

Texas Contributes Its Full Death Quota

DALLAS, July 5.—(AP)—Four persons were dead, two were in a serious condition and scores were injured in Fourth of July tragedies in Texas.

Mrs. E. C. Decker, Pampa, was killed near Pampa as here husband drove their automobile into a small house parked on the roadway by housemovers at dawn. Decker received slight injuries.

Mrs. A. E. Yeager, Decatus, was knocked down and killed by a passing motorist near Papma. Twelve others were treated for fire cracker injuries and burns and for traffic accident injuries.

Carl Eaton, Henrietta, was fatally hurt as his machine hit one driven by Dr. F. S. Slair, Cooper, near Cooper. Bob Howard, in the car with Eaton received minor hurts.

J. T. Durden, 75, was the oldest person in the state reported injured during the day. He died of injuries received when run down by an automobile on the street near his home in Temple. Lorice Sullivan, Murray Sullivan, Floyd Hamrick and Floyd Franklin, all of Waco, and D. F. Eubanks, Augusta, Ga., were injured when their automobile turned over near Temple.

Harriet Shanor, 6, was struck on the head and probably fatally hurt by an airplane propeller at a celebration of the opening of Vernon's new airport. The little girl had been up for a ride with her parents, Mr. and Mrs. G. M. Shanor. As the ship rolled to a stop, she hopped out of the cabin door, and walked into the whirling blade.

Bishop Cannon Has Confidence Of Colleagues

LAKE JUNALUSKA, N. C., July 5.—(AP)—Bishop James Cannon, junior, of Richmond, Va., has the full confidence of the board of temperance and social service of the Methodist Episcopal Church, South.

The board, of which he is president, so declared yesterday in taking cognizance of published reports that Bishop Cannon had purchased, sold and otherwise dealt in stocks and market securities.

Editorial condemnations of Bishop Cannon's dealings were ascribed in a resolution adopted by the board to the efforts of the "wet press" to discredit "a great and influential leader of the prohibition forces of the nation."

Lake Michigan Surf Claims Ten Bathers

GRAND HAVEN, Mich., July 5.—(AP)—The vicious surf and undertow of wind-swept Lake Michigan took the lives of 10 persons here yesterday, all drowning virtually simultaneously and within a radius of but a few hundred yards.

Nine were bathers at a Municipal park beach; the other was a girl who, with three companions, was swept from a pier at the beach by a giant breaker which bowled the four into the water.

While three life guards struggled against the waves to pull the four struggling persons in the water to safety, a terrific undertow apparently generated by the huge combers which first swept the pier, carried the nine bathers to their death. Hundreds of persons ashore, gay holiday picnickers, and bathers basking in a warm sun, watched horror stricken as the nine were whirled, screaming for help, far out into the white caped lake.

The dead are Mildred Fifield, 19; Robert Shindler, 19; Julius Tusch, 19; Leonard Kellogg, 20; Carl Rothloff, 21; Walter Schwartz, 19; John Giddings, 21; Frank Petrowski, 40; Rudolph Pitulik, 22 and Erwin Pitulik, 21.

All were residents of Grand Rapids except the latter two, brothers, who were from Detroit. Bodies of four were recovered but Lake Shores residents said it might be days before bodies of the others were washed ashore..

Mr. and Mrs. W. G. Rogers of Pursley were Corsicana visitors Saturday afternoon.

FIFTEEN PERSONS INJURED IN CRASH ST. LOUIS STATION

ST. LOUIS, July 5.—(AP)—Fifteen persons are known to have been injured at 7:25 a. m. today, when a Burlington passenger train from Kansas City backed into the side of a Frisco accommodation train at the Union Station here. Five of those hurt were suffering from fractured skulls.

Two wooden coaches, both with St. Louis county residents on their way to work in the city, were pushed off their trucks and overturned when the observation car of the Burlington train smashed into the side of the Frisco local.

Ambulances tok 15 persons to city hospitals, many other passengers suffered minor cuts and bruises. All injured were occupants of the two Frisco coaches. The side of one coach was smashed by the collision.

LARGE NUMBER OF DELINQUENT TAX SUITS ARE FILED

Delinquent tax suits numbering approximately 1,500 have been filed in the district clerk's office by H. B. Daviss, county attorney, against property owners who have not paid the county and state taxes on property within Navarro county.

The citations have been prepared and are now in the hands of the sheriff's department and are being served as fast as possible.

T. J. Jones of Pickett was here Saturday afternoon.

Jack Ray of Oak Valley was a business visitor in Corsicana Saturday.

J. H. Ivie of Corbet was in Corsicana Saturday morning.

PLANS COMPLETED FOR BARBECUE AT WILDCAT FERRY

(Continued From Page 1)

ple are furnishing the trimmings, etc.

To Operate Free Ferry

Chairman Jackson stated Monday that there had been provided 2,500 pounds of beef, 500 pounds of mutton and 1,500 pounds of pork. It is estimated that this will feed 5,000 people. The Wildcat Ferry, one of the oldest in Texas, has been rented for the day and free ferry service will be maintained. It was brought out in the discussion that the Wildcat Ferry was chartered by the Texas Republic in 1846.

The serving of the barbecue will likely be done by twenty-five women from each county. It is expected that Athens, Kerens, Trinidad, Waxahachie, and other cities will be invited to have representatives present. Large crowds from Corsicana and Palestine and intermediate points will be on hand.

Those driving from Corsicana for this affair are routed from Corsicana to Powell; thence to Kerens, thence to Rural Shade and Wildcat Ferry.

Joel C. Trimble and J. S. Halley were placed on the music committee and it is expected that the State Orphan's Home will furnish special musical entertainment.

Arrange Parking Space.

A committee composed of A. P. Young of Corsicana, Will Cheney of Corsicana, Buck Grififn, Rural Shade, and Harmon Chandler of Eureka, will look after the parking problem. It is expected that a large area will be cleared to take care of the automobiles. Navarro county citizens will park their automobiles on the west side of Trinity river and then will walk across the ferry to the east side where the celebration will be held.

Sheriff Rufus Pevehouse has been appointed marshall of the day on the west side of the Ferry and will aid in the looking after the cars.

A committee composed of J. E. Butler, chairman; J. N. Edens, A. G. Elliott, P. D. Williams and C. L. Jester has been appointed as the welcoming and piloting committee for the escorting of the Fort Worth delegation from Corsicana to the Ferry.

John S. Murchison and C. S. Stroud were appointed to finish up the soliciting of funds from the citizens of Corsicana to pay the remainder of the cost of barbecue. It was reported that several hundred dollars were needed to defray the expenses.

Mr. and Mrs. E. D. McCarver were appointed to have charge of securing the twenty-five persons to aid in the serving of the barbecue.

Prominent Speaker Secured

Chairman Jackson stated that among the speakers who will be on the program on this occasion would be Cone Johnson of Tyler, members of the state highway commission, and the man who made the motion for the designation of this road as a state highway; J. P. Lightfoot of Fort Worth, formerly attorney general of Texas and now chairman of the highway committee of the Fort Worth chamber of commerce; R. S. Sterling of Houston, chairman of the state highway commission and capitalist; Luther A. Johnson, member of congress; J. H. Shelton, county judge, Anderson county; H. C. Nash county judge, Navarro county, and Haynie Nelms, Groveton, Texas, president, East Texas chamber of commerce.

W. Roy Christian was appointed to provide an entertainment feature.

Another meeting of the committee will be held at the chamber of commerce headquarters Wednesday morning at 10 o'clock when a final check will be made and a report of the Tuesday meeting with the Anderson county citizens will be made by Chairman Jackson.

Among those present at the meeting Monday morning were R. J. Jackson, Lowry Martin, J. E. Butler, B. J. Derden, Guy M. Gibson, J. S. Murchison, W. Roy Christian and others.

Dallas Banker and Congressman to Talk To Navarro Bankers.

The Navarro County Bankers' Association quarterly meeting will be held at the Navarro Hotel, Tuesday evening, at 7:30 o'clock and Stanley Longmor, vice president of the North Texas National Bank of Dallas, and Congressman Luther A. Johnson will be the speakers for the occasion, according to an announcement made Monday by J. E. Butler, president of the association.

PLAN PERUVIAN FLIGHT.

LIMA, Peru, July .—(AP)—The newspaper, La Cronica, says the Peruvian airmen, Captains Manuel Escalante and Guillermo Concha, who have been perfecting their flying at the San Antonio, Texas, military field, are planning a non-stop flight from San Antonio to Lima.

MANY ASPIRANTS LOOMING IN RACE FOR GOVERNORSHIP

(Continued From Page 1)

tion of the former governor as a member of the United States mediation board. Senator Mayfield had claimed credit for getting Gov. Neff the place, and the Wacoan countered that no one except former President Calvin Coolidge was due credit. Senator Mayfield protested his confirmation to a new term, and Gov. Neff did not get the place. Former Gov. Oscar B. Colquitt, supporter of President Hoover in the late presidential campaign, was awarded the plum.

Another strata of gossip has put former Gov. Miriam A. Ferguson in the race, in the event Senator Mayfield enters.

Bobbitt May Run.

Robert L. Bobbitt of Laredo, former speaker of the house of representatives, is a likely candidate, his friends have announced. It is reported Gov. Moody would look with favor upon the Bobbitt candidacy.

West Texans are said to have in mind booming Senator Walter C. Woodward of Coleman or Senator Clint C. Small of Wellington for governor at the proper time.

R. S. Sterling of Houston, chairman of the highway commission, has been mentioned more than once. The other day at a bridge opening at Belleville, Sterling, the principal speaker, heard himself put forward for the governorship by Speakers who preceded him.

There are plenty available issues. Mr. Love said he would run as an anti-Tammany candidate, inferring he would revive the acrimony that developed last November, when he and other Democrats left their party to fight Gov. Alfred E. Smith for the presidency and carried Texas on their side.

Mr. Love was a candidate for lieutenant-governor in the last primary and quit the race before the run-off with Lieut.-Gov. Miller, after several counties had barred his name from the official party ballot because of his announced determination to scratch the ticket in the November general election.

There may be a movement next July to bar his name from the party ballot, but it is reported the most conservative Democrats will try to keep this fight down, since they believe it would be water over Love's wheel and give him an issue to revive his campaign, whereas if he is permitted to run as a Democrat they believe his anti-Tammany cry will excite little interest.

Interesting issues such as regulation of public utilities, submission of an income tax for the ad valorem levy and preservation of the water supply to domestic users, would provide locomotion for a live campaign without bringing in extraneous matters.

Gov. Moody has advocated these things before an unfriendly, or at least an indifferent legislature. If he were not too orthodox in his democracy he could shell the woods with these issues and probably win a third term, his friends contend. They point out he could at the same time campaign for a legislature friendly to his reforms.

A. T. Brown of the Roane community spent a few hours in town Monday attending to business.

DAILY FLOW TEXAS CRUDE SHOWING DECIDED INCREASE UNIVERSITY FIGURES SHOW

AUSTIN, July 8.—(AP)— Daily flow of crude oil in Texas averaged 836,000 barrels in June as compared with 808,000 barrels the preceding month, statistics revealed today by the bureau of business research at the University of Texas. A total of 25,079,000 barrels were turned into storage tanks during June, compared to 25,034,000 in May.

Field work in the state was less active than in May but the number of new wells completed was considerably above that in June, 1928. During the 30 day period 580 tests were drilled in, making a total of 3,492 completed wells for the first half of the year. In June 1928, 445 new wells were drilled and 3,429 were completed in the first half.

Oklahoma Gets Gasser

OKLAHOMA CITY, July 8.—(AP) —Further proving the southeast sector of the Oklahoma City pool, the Itio-Foster No. 1 George Button, in SW SW SW 19-11-2W, blew in for both oil and gas this morning when the concrete plug had been drilled through. Total depth is 6,373 feet, in lime. Early estimates placed the well at from 5,000,000 to 10,000,000 feet of gas and from 10 to 15 barrels of oil an hour.

Ten Locations Made

OKLAHOMA CITY—Itio-Faster staked ten locations to offset the T. B. Slick Pearse lease on which there are two locations, in the south 20 acres of W 1-2 SE 13-11-3W. Four of the locations are on the Wheeler lease in W 1-2 SE, one on the Trosper et al lease in SE SE SW 13, and five in the E 1-2 SE 13, on the Foster and Thomas leases.

More New Locations

OKLAHOMA CITY—Colin Oil staked in No. 4 Olds, in NE NE NW 24-11-3W, as a west offset to the No. 3 Fortson, in NE NE NW 24-11-3W.

COURT HOUSE HAPPENINGS

District Court.

The following have been summoned as petit jurors for the third week of the July term of the Thirteenth Judicial District court for the week beginning Monday, July 15:

L. V. Majors, Preston Harrison, J. W. Wright, H. E. Call, Harvey Grantham, W. O. Allmon, K. Schwarts, H. B. Traw, Roy L. Miller, W. E. Newman, J. R. Howell, A. A. Guess, E. W. Ellis, A. P. Young, T. J. Sheehan, Roy W. Layton, Lynn Adams and J. J. Sikes, all of Corsicana; S. A. West, Powell 1; J. R. Bruner, Kerens; F. P. Layfield, Powell; C. M. Fitzgerald, Kerens; A. H. Youngblood, Kerens; C. C. Cherry, Kerens; J. T. Mahone, Blooming Grove; R. F. Selby, Blooming Grove; C. N. Dillingham, Blooming Grove; P. F. Yarber, Milford 3; B. W. Green, Frost; T. R. Stroder, Frost; R. L. Parks, Mertens; R. D. McCary, Frost; W. F. McClure, Frost; J. H. Peay, Dawson; J. D. McElroy, Dawson; G. S. Melton, Hubbard 3.

ROLL CONFEDERATE COMPANY HEADED BY J. L. HALBERT GIVEN

FATHER OF LATE BELOVED CITIZEN WAS CAPTAIN OF LOCAL ORGANIZATION

Dr. B. F. Houston, pioneer resident of Corsicana, has brought a clipping to the Daily Sun office, which appeared in the Dallas News many years ago, concerning the roster of Company E, Fifteenth T. V. I. C. S. A. made by the captain of the company, J. L. Halbert, and an account of the Battle of Bayou Bordeaux. The J. L. Halbert referred to in the account was the father of J. L. Halbert, who died here Monday.

The account of the battle stated that along with two regiments the company attacked 5,000 Federals after march 50 miles, defeating the Yankees and capturing 600. A vivid account of the privations and sufferings of the Confederates was given.

The men were mustered in at Milford, Texas, and Corsicana.

The following roster of the company includes a number of Navarro county citizens names who participated in the Civil war:

Captain J. L. Halbert, First Lieutenant James Talley, Second Lieut. C. T. Fain, Thihrd Lieut. W. H. McElwee, First Sgt. A. M. Miller, Second Sgt. L. B. Caldwell, Third Sgt. E. H. Carter, Fourth Sgt. J. H. Jetton, Fifth Sgt. J. E. Smith, First Corporal H. I. Caldwell, Second Corporal Champe Carter, Third Corporal I. J. Thomas, Fourth Corporal A. J. McCrory.

Privates—W. J. Adams, Patton Anderson, V. E. Berdine, William Bruton, H. G. Bostwick; James Bryant, N. H. Butler, R. E. Carter P. E. Carter, J. H. Carter, John Carr, William Clayton, James Cull, G. W. Couchman, R. P, Dean, J. E. Dunning, J. Fowler, W. F. Groves, W. H. Groves.

W. H. Graham, G. W. Goodman, W. H. Groves, J. S. Groves, J. N. Groves, C. R. Harris, N. G. Highnote, J. H. Highnote, William Hunter, R. L. Hilburn, Frank Huire, Lewis Hooper, William Hooper, Richard Ingraw, B. J. Jockson, T. B. Jackson, J. H. Gunter, Jacob Lasley, James Masden, Felix Miller, C. I. Miller, W. M. McKinney, F. M. Reed.

C. W. Reed, W. P. Ramkin, Thomas Ramsey, Charles Ramsey, T. J. Robinson, J. I. Rogers, E. M. Scales, W. J. Smithey, R. P. Sturgis, John Westbrooks, T. J. Wilson, R. Bebee, E. G. Fuller, M. W. Miller, Jesse Rector, G. W. Manteoth and J. P. McElwrath.

WEATHER GOOD FOR CROPS ON COTTON BELT PAST WEEK

TYLER, July 6.—(SP)—Report of agricultural conditions along the St. Louis Southwestern 'Railway lines for the week ending June 29:

Southeast Missouri and Northeast Arkansas: Weather conditions continue favorable. Rainfall has varied from light showers to good rains. Temperature has, been favorable. Corn is in all stages of growth from planting to waist high. Cotton averages about ten inches high, with some forming squares. Wheat harvesting is about completed with only fair yields reported. The harvesting of a good hay crop is under way and pastures are fine. No disease or insect damage has been reported to date.

Central and Southwest Arkansas: Only scattered showers of rain have fallen in this district. Conditions have been ideal for plant growth. Cotton and corn have been worked over one or two times. Garden truck and pastures are in fine condition. No insect or disease damage has been reported. Weather conditions were ideal in the Stuttgart, Ark., rice district. Rice is coming up to a good stand. Farmers are catching up with their work.

Louisiana and Texas: The weather has been ideal for cotton. A few light showers were reported in East Texas. Moisture is barely sufficient, with plant growth good, but boll weevils are showing up in most all East Texas counties, causing some shedding of cotton squares. Early peaches have begun to move in carlots. Elberta peaches should begin moving in carlots about July 10. The East Texas tomato crop is nearing the end. The market has been around 3 1-2 cents to the growers for the week, and the growers are well satisfied with the profitable returns from their tomatoes. On our lines west of Waco, Texas, cotton is in fine condition, with no seriosu damage from insects reported. Very little wheat and oats are moving on account of the market. Throughout our district in Texas and Louisiana the corn crop is badly in need of rain, and many sections are reporting a short corn crop. A good rain would be of much benefit to all crops at this time.

WORKING OUT PLANS TERRACING SCHOOL NEAR CITY JULY 15

Plans are rapidly being formulated for the terracing school to be held on the Robert Garrett farm in the White's Chapel community, July 15, throgh the co-operation of the implement dealers and the extension department, Henry Gentry, Navarro county agent, stated Saturday.

Local implement dealers will hold a meeting early next week to work out the program.

Among those who will take part on the program and activities will include M. R. Bentley, district agent, A. and M. college; A. K. (Dad) Short, Federal Land bank of Houston; T. C. Richardson, Dallas; E. A. Miller and G. W. Orms, both of A. & M. college

Among the implement concerns taking part in the school will be the Corsicana Grader and Machine company; Martin Ditcher company represented by A. T. Smith; Brown Tool company, Dallas and the Texas Terracer, Dallas.

The Dallas Implement club will have a number of implements here.

STOCK MARKET DEVELOPS MORE ACTIVITY; LABOR IS UNEASY; CLEARINGS LARGER

NEW YORK, July 6.—(AP)—Dun's Review said today: There has been a natural absence of new and significiant phases in general business at the turn of the half year, but distinguishing features have appeared in financial circles. Extending its recent trend, the stock market has developed greater activity and buoyancy, the movement being the more impressive because of the prevailing high rates for call money. The latter condition reflecting to heavy July settlements, and a 15 per cent quotation again disclosed the unusual aspects of the present credit situation. Offsetting that restraint, several factors, including discussion of possible tax reduction, have been a constructive effect, while current reports have emphasized the strong position of some of the major industries.

More unrest among labor has been witnessed this year and a threatened strike in the garment trades has materialized, yet no serious and widespread curtailment of public purchasing power is indicated by the turnover in the retail field, which has responded in a satisfactory way to a period of sustained warm weather.

Weekly bank clearings $13,239,514,000, an increase of 14.7 per cent over a year ago.

THREE PROHIBITION RAIDERS FACE MURDER CHARGES AFTER DEATH OKLAHOMA FARMERS

SHAWNEE, Okla., July 6.—(AP)—Jeff B. Harris today awaited trial on two charges of murder and two other men faced single murder charges in connection with the death of two farmers in a gun fight during a search for liquor, while members of the Shawnee American Legion post appealed to President Hoover "to extend its (the government's) protecting hand to thwart prosecution" of the accused.

The three men under arrest—Harris, Tom Little and Jack Williams—were not regularly employed as federal agents, Prohibition Commissioner Doran, in Washington, and other high federal officials said, but H. K. Hyde, asistant United States district attorney at Oklahoma City, said the three men had been deputized by W. W. Thomason, federal prohibition enforcement agent. Thomason also was sought on a charge of murder.

The farmers were slain when the three men accompanied Thomason to the farm of James Harris, near Tecumseh, to search for liquor. Jeff Harris says he glanced up from his search and saw James Harris coming toward him with a shothgun. The raider went for his gun, he said, and both men fired about the same time, some of the shot from the farmer's gun striking Jeff Harris in the neck and shoulder.

Oscar Lowery, brother-in-law of James Harris, started to run when the shooting started and Jeff Harris says he fired, wounding the running man. James Harris fled to a strip of undergrowth, along a small creek, but the raider says the farmer came out of the bushes with his gun held ready and he, Jeff Harris, shot the farmer in the abdomen.

NAVARRO COUNTY BANKERS WILL MEET HERE TUESDAY NIGHT

The Navarro County Bankers Association will meet in regular quarterly session Tuesday evening July 9, at 7:30 o'clock at the Navarro hotel. Dinner will be served.

Stanley Longmoor, vice-president of the North Texas National Bank of Dallas will be the principal speaker.

Other features will be included on the program according to announcement by J. H. Roberts, chairman.

J. E. Butler is president of the county bankers organization.

ADVENTURE URGE CARRIED CHILD ON LONG TRAMP

GREENVILLE, July 6.—(AP)—The adventuresome spirit of "Buddy," two-year-old son of Mr. and Mrs. J. N. Brumley, cost more than 100 Hunt county citizens their night's rest last night.

The party, which included county and city authorities, searched the whole of last night for the child, which had wandered away from the family automobile while its parents were in a nearby field.

The child was found this morning, none the worse for its adventure, asleep in underbrush about two and one-half miles from where it had disappeared.

LOCAL ODD FELLOWS LODGE INSTALL NEW OFFICERS FOR YEAR

At the regular meeting of the Corsicana lodge No. 63, I. O. O. F. Thursday night, the following officers except as indicated were formally installed for the ensuing term:

scene supporter and D. F. Pevehouse, left scene supporter, (not present).

The finance committee is composed of J. I. Ellett, W. F. Thayer and W. J. Seelig.

H. H. Mims, of the Oak Valley community was in town Saturday on business.

KU KLUX KLAN IS LEAVING CAPITAL TO RETURN ATLANTA

WASHINGTON, July 6.—(AP)—The Washington Post today says "the Ku Klux Klan has abandoned Washington as national headquarters and is back in Atlanta, Ga., the place of its birth."

Two reasons are given for the transfers. One official is quoted as explaining the national headquarters was moved to Washington because this was believed to be the best place to direct its campaign against the presidential candidacy of Alfred E. Smith.

"Well, the campaign is over now," he is quoted as saying. "Will we move back again? That may depend on who the candidates are."

The other reason ascribed is "the Klan has just erected two new buildings in Atlanta, one a factory where the regalia is turned out, and the other an administrative building for the officials and clerks of the organization."

Offer Second Cup As Trophy Bi-Stone Baseball League

MEXIA, July 5.—(SP)—A second trophy cup is offered in the Bi-Stone empire baseball league, this a Spalding cup for the runner-up in the six-club race. The first cup will be given by the Mexia Daily News, sponsors of the league, and will be the object of a play-off after a two months schedule is played.

Interest in the league is growing as it inters its second week of play. Fairfield, Streetman, Tehuacana, Groesbeck and two Mexia teams are in the race.

W. G. Owen of Providence spent Friday afternoon in the city attending to business.

HUBBARD FARMER DIES SUDDENLY; BURIED THURSDAY

HUBBARD, July 6.—D. W. Holman, 68, died at his home in the Munger community suddenly Wednesday evening at 7 o'clock and the funeral was held at Dover Thursday afternoon at 4 o'clock. He had been at work in the field during the afternoon and his sudden death was attributed to a bursted artery in the brain caused from high blood pressure.

He had resided in the Munger community for many years.

Surviving are his wife, five sons, Ben Holman, Hubbard; Ernest Holman Hubbard; George Holman, Hubbard; Ed Holman, Eastland; Louis Holman, Hunger; four daughters, Mrs. Elmer Barrington, Hubbard; Mrs. D. T. Evans, Waco; Mrs. Titus Carr, Rice; Mrs. Hugh Moore, Baytown, and otherr elatives.

GIANT TOADS WILL BE IMPORTED EAT BEAUMONT INSECTS

BEAUMONT, July 6.—(AP)—Two hundred more giant surinam toads are to be brought hre from Porto Rico at once, as a result of tests made with 33 brought here aboard the S. S. Shawnee recently, for use in fighting insect life, particularly the mole cricket.

The surinam toad is about twice the size of the native toad and smaller than a native bull frog.

The surinam's tongue is one of his bids for fame. He can sit in one spot complacently until he sees a particularly lucious insect, when his tongue makes a lightning-like dart and spears it, at any distance up to four of five inches.

In 1920 a dozen of the surinam toads was taken to Porto Rico from their native haunts in Brazil and have multiplied so rapidly that at present the island is said to be practically free from damaging insect life.

Applications have already been made to the county farm agent by a number of farmers through the county for some of the toads when they arrive.

The method of reproduction of the toads is as interesting as his habits and his abnormally long tongue.

When the eggs are laid, the male toad spreads them over the back of the female. After this a separate cavity, with a lid at the top develops around each egg. Thus, each young toad has a shelter proof home on the mother's back until he is large enough to open the lid and come out into the world to shift for himself.

BIG BARBECUE
And CELEBRATION

Commemorating Designation of The Corsicana-Palestine Highway

All Corsicana and Citizens Along the Route Invited to Barbecue Celebration at

WILD CAT FERRY

On The Trinity River

Friday, July 12,

12 Noon

The designation of this state highway from Corsicana to Palestine through a splendid farming territory gives a direct connection with a fine section of East Texas and is a fitting occasion for a great inter-community celebration and jubilation.

Such a highway program has been a dream of years. It will be a great occasion for increasing neighborliness and good will between many communities.

Members of the highway commission and leaders from the various communities will speak. There will be entertainment and plenty to eat. Come and bring your friends.

From Corsicana go to Kerens and thence southward to Rural Shade and on to Wild Cat Ferry; park cars on Navarro County side of Trinity river. Foot passengers will be ferried free across the river. Celebration will be in the grove on the east side of the river near the ferry.

MAGNOLIA-MILLERS NOSED OUT BLOOMING GROVE TEAM SUNDAY

FOUR RUN RALLY IN FINAL ROUND ROUTS VISITORS

BLOOMING GROVE HURLER BLEW UP TO AID LOCAL NINE TO WIN

Staging a desperate rally in the last half of the ninth inning to score four runs, the Magnolia Millers baseball nine defeated the Blooming Grove Independents, 4 to 3, in a fast baseball game played at the Municipal Park Sunday afternoon. The Magnolia Millers were aided materially in their last chance rally by the unexpected wildness of Biggers, who for the first eight innings had forced the local independents to pop out weakly or roll to the infield, walking two batters who figured in the scoring.

The Blooming Grove Independents scored their three runs in the fifth inning when Wilson, former Corsicana Oiler, who was imported to toss the game, threw wild to third base on an attempted force-out and Fred Tyner made a bad mess of a slow grounder back of pitchers box. After this one bad inning, the infield began clicking in splendid style behind the former Oiler, who instead of tiring as the innings rolled by, began improving and in the last three innings, only nine men faced him.

Led Until Ninth.

The three run lead enjoyed by the visitors seemed sufficient until the final stanza when the first man up, Paul Rash, was given life on a bobble by Griggs. A. Ruth walked after getting the count, three balls and two strikes. Shook grounded out, second to first, advancing both runners. Thompson, batting for Strum, walked, filling the bases. Stancil, batting for Newcomb, dropped a Texas leaguer over first base to score Rash and A. Ruth. Harris, pinch hitting for Wilson, went out, first base unassisted. With the winning and tying runs on second and third, Carl Ruth, who had secured three singles in the afternoon, came to bat. A slashing double to right field fence from the bat of the second baseman scored Thompson and Stancil to end the game.

Johnson, Blooming Grove first baseman, was a busy man during the afternoon, being credited with 16 put-outs, one assist and one error. During the first seven innings the infield was a fast combination behind the superb twirling of Biggers and secured 20 of the 21 put-outs, only one ball going to the outfield, that a short fly just back of second base that Taylor gathered in.

Carl Ruth was the batting hero of the afternoon, getting three singles and a double in five attempts. Taylor, Blooming Grove center fielder, secured three singles in four times at bat.

The Box Score.

Rinkey-Dinks Took Game at Silver City

The Corsicana Rinkey-Dinks made a successful invasion of Silver City Sunday afternoon, defeating the highly touted West Navarro county nine in a colorful game, 9-3. Gene Nutt pitched a bang-up game, allowing only four scattered hits, and fanning seven. Fred Hightower led the batting attack on Adkins, Silver City tosser, in securing four hits in five times at bat. He was closely pressed for batting honors by Robert McDougle with three hits in four appearancees at the plate.

With the exception of the fifth inning, Nutt pitched shut-out ball, baffling the Silver City nine with his blinding speed and tricky change of pace. No man was able to secure more than one hit off this delivery.

Six miscues aided the Rinkey-Dink cause along, the fielding of the host team left much to be desired in the pinches.

Rinkey Dinks ..040 400 010—9 13 2

Whites Chapel Cards Games For This Week

Sunday afternoon, the White's Chapel nine downed the Texas company baseball team 4-2 on the Humble diamond at Mildred. The game was witnessed by a large number of fans. Newsom, White's Chapel tosser, sent nine opposing batters back to the bench via the strikeout route. The game was featured by air-tight pitching and sharp fielding on both sides.

Three games have been carded by the White's Chapel nine for this week. Bazette at White's Chapel Wednesday afternoon, Tupelo at Tupelo Saturday afternoon and the Humble Refiners Sunday afternoon at Mildred.

Famous Notre Dame Coach Will Conduct SMU Coaching Class

KNUTE ROCKNE.

Knute Rockne, head coach and athletic director of the University of Notre Dame, and noted athletic authority, will begin his third year on the faculty of the S. M. U. coaching school which begins in Dallas on August 19 and continues through August 31.

This year Rockne will be associated iwth Glen S. (Pop) Warner of Stanford University as co-heads of the S. M. U. school. This combination is one of the strongest ever presented in a school of this kind.

The Notre Dame mentor has made himself world famous through the records that his fighting Irish have made, and his coaching schools.

LOOSE FIELDING HELD RESPONSIBLE FOR LOCAL LOSS

PARIS LEGION ENTRY WINS OVER COTTON MILL JUNIORS DISTRICT CONTEST

BY BOB HALE

Loose fielding sent the Corsicana Cotton Mill, bi-district winners in the American Legion Baseball Tournament, down to their first defeat of the season at the hands of the Paris Legion-Scouts by a score of 7-3, in a game staged at the Municipal Park Wednesday afternoon. The locals outhit the Paris club, 6-5, but failed to make their blows count to the advantage that the Scouts did.

The Cotton Millers broke the ice in the fourth inning when Smith walked and C. Dunn and McKissock hit consecutive singles to fill the bases. Stewart then hit to McDowell, who tossed a low to the platter and Smith scored the first run of the game. The Scouts, however, came back in the first half of the fifth and scored three runs on two errors, a base on balls, and two solid singles.

After the fateful fifth both teams failed to score until the seventh when the Scouts again unloosed their heavy artillery and chased four runs across the plate to sew up the game.

Kesinger, Cotton Mill left fielder, provided the fielding thrills of the rather listless game when he made a running catch of McDowell's long fly to left and later in the game when he made a beautiful shoestring catch of Briggs' liner into short left.

The game was played under cloudy skies and a rain-soaked field, a heavy rain shortly before the game time rendering the field practically useless under ordinary conditions and hindering both teams in fielding and hitting.

Box Score.

Hit by pitcher: By McKissock (Rutherford); by Green (Rutherford). Wild pitch: McKisock. Passed balls: White (2); C. Dunn (2). Winning pitcher: Kackley. Losing pitcher: McKisock. Time of Game: 2 hours, 50 minutes. Umpire: Newcomb.

Brandon Defeated By Blooming Grove

BRANDON, July 5.—(Spl)—The Blooming Grove Independents defeated the local all-star club in a one-sided fray here today. Varnell led the attack for the visitors with four hits in five tries. Two of Varnell's hits came in the same inning. Robinson, playing third for Blooming Grove, handled nine chances perfectly. Giles' hitting featured for the locals, his two hits being for extra bases. Umpire, Gunter. Score by innings:

B. Grove .....008 102 000—11 14 2
Bradon ....100 010 002— 4 6 1

THREE PLAYERS IN TIE FOR SWATTING HONORS WITH .374

RANDY MOORE WILL LIKELY BREAK THREE-BAGGER RECORD

DALLAS, July 8.—(AP)—The beginning of the second half and July 4 double headers found Langford and Starr of Shreveport and Blackerby of Waco in a triple tie for the Texas league batting honors.

Each had smashed the ball at a .374 pace. Sullivan, Fort Worth hurler, however, held the titular lead with a .383 lead, but he had batted only 47 times against an average of more than 200 for the other three.

Bennett, Wichita Falls, trailed the trio by 7 points.

In the total hit department, Randy Moore, Dallas, threatened a league record with 128. Barely past the half way mark his 17 triples fell but six short of the total by Ike Boone in 1923. Eddie Moore, of Fort Worth crept to within seven of the Dallas Moore's total hits with 121 while Bennett was in third place with 116.

Randy Moore, Dallas, and Whelan, Shreveport, with 81, led in run scoring, followed by Benton, of Wichita Falls, 80; Urban of Fort Worth, Bennett of Wichita Falls and Ballew of San Antonio, 73 each. L. Cox, Fort Worth, had slammed out 30 doubles. Fitzgerald, Wichita Falls, with 27, and Turgeon, Wichita Falls, 26, pressed Cox.

Sanguinet, the Waco poler, retained his home run lead with 21. Blackerby, Waco, had 18 and Bennett, Wichita Falls, 15. Flashkamper, Dallas, who for several seasons held stolen base honors unchallenged found his total of 19 one behind Stewart, Shreveport. Likewise Flashkamper was the only one ahead of Whelan, Shreveport, and Martin, Houston.

Five clubs were hitting better than .300 with Wichita Falls and Shreveport tied at .310. Fort Worth led in runs, hits and triples, Dallas in doubles, Owens of Shreveport, Caldwell of Waco and Lindsey of Houston shared pitching honors for games won with 12 each, while Messenger of San Antonio led the league with 65 strikeouts.

The ten leading hitters (50 or more times at bat): Langford, Starr, Blackerby, .374; Bennett, .367; R. Moore, Dallas. .460; Lapan, Wichita Falls, .359; Benton, Wichita Falls, .354; Wiltse, Wichita Falls, .352; Sullivan, Wichita Falls, .351; Grimes, San Antonio-Fort Worth, .351.

DETROIT YOUTH IS ADJUDGED BEST ALL AROUND ATHLETE

KENNETH DOHERTY SCORED MANY POINTS IN ANNUAL A. A. U. COMPETITION

DENVER Colo., July 6.—(AP)—The greatest all around athlete in the United States by Amateur Athletic Union measurements is Kenneth Doherty of the Cadillac Athletic Club, Detroit.

Doherty, a tall, studious looking fellow, yesterday scored 7,784.68 points in the decathlon of the annual A. A. U. track and field championships. It was the highest score ever made in the United States for the gruelling competition, lasting almost a full day.

Doherty, who won the A. A. U. decathlon title last year with 7,600.52 points, beat out a fine field of competitors in the ten events, the 100 meters run, broad jump, 16 pound shotput, 400 meters run, 110 meters hurdles, discus throw, pole vault, javelin throw, 1,500 meters, run and high jump.

V. Kennedy of Warrensburg, Mo., Teachers' College, was second with 7,362.003 points and Wilson Charles, Oneida Indian of Haskell Institute, Lawrence, Kas., third with 7,240.053.

The three day stand of the "American Olympics" came to a close with three relay records being smashed. Two new marks went to the Los Angeles Athletic club, which took the relays championship with 16 points, and one to the New York A. C.

Milt Maurer, Charley Paddock, Maurice Guyer and Frank Wykoff carried the I. A. A. C. colors to a world's record in the 440 yard event for track with two turns, covering the quarter mile in 41.9 seconds, a half second faster than the old mark.

This same quartet clipped one full second from the A. A. U. record in the half mile by making the distance in one minute 26.4 seconds. Jackson Scholz, Johnny Kerr, Howard Jones, and Frank Cuhel, running for the New York A. C., set the new A. A. U. record for the mile at 3 minutes, 17 seconds.

Herman Brix, University of Washington product, threw the eight pound shot 67 feet 11 inches—a new world's record. Ralh Rose had held the record at 67 feet 7 inches, since 1907.

Claude Bracey, the "Texas Tornado," who finished second to Eddies Tolan of Michigan in the senior 100 yard dash, won a special 80 yard dash yesterday against a picked field, but he failed to lower the world's record of 8 seconds by one-tenth second.

Whites Chapel Took Close Tilt Saturday

Scoring two runs when Dugan, opposing pitcher, overthrew second base on an attempted force-out, the White's Chapel nine defeated Tupelo 2-0, Saturday afternoon on the White's Chapel diamond. This wild throw decided a fast pitchers battle between Dugan and Spurlock, both of whom pitched splendid brand of baseball, Dugan allowing four bingles and Spurlock three.

The score:

Tupelo ...... 0[illegible] 000 000—0 3 2
White's Chapel 000 000 20x—2 4 1

Batteries: Dugan and Szenasi; Spurlock and D. Stover.

ATHLETIC MARGIN TRIMMED SLIGHTLY DURING WEEK: BUT GIANTS FAIL GAIN GROUND

By WILLIAM J. CHIPMAN
(Associated Press Sports Writer.)

NEW YORK, July 8.—(AP)—Maneuvers on major league battlefields in the week ending last night enabled the Yankees to slice two games from the lead of the Athletics in the Barnard campaign as the Pirates and the Cubs forced the fighting in John Heydler's circuit. John McGraw involuntarily and under protest aided his Pittsburgh and Chicago enemies by dividing eight engagements with second-division opponents. The Cardinals consolidated their collapse, making it a three-team race, at least for the present.

The Yankees headed both major leagues with seven victories and no defeats as the Athletics won five out of seven, but this slight slip of the Mackmen left Philadelphia holding a margin of eight and one-half games at the end of the week. And with Professor McGillicuddy grasping such an advantage, nothing short of a complete Athletic collapse can give the Yanks much help. The A.'s could break even from here to the wire and still be fairly sure to win.

The excellent Pirate defense enabled the Pittsburgh forces to take five out of six in the holiday week as the Cubs won four and lost two. This gain of one game sent the Pirates into the East leading the Bruins by half a game. Donie Bush's men topped both major leagues in defense, with only 22 enemy runs scored. The Yankees headed their own circuit with 23.

Giant Hopes Dimmed.

Giant pennant chances were dimmed considerably by McGraw's even break against clubs which should yield at least seven victories in every ten to a serious contender, but the plight of the Cardinals became even worse. The league champions extended their losing streak to eleven through the first game at Philadelphia yesterday, and then turned on the harmless Phillies with such ferocity that Billy Southworth gained the hollow honor of topping both major leagues in offensive play while winning only one game out of eight.

The Cards slammed the Phils for a 28 to 6 vistory in the nightcap by getting 28 hits off various Philadelphia pitchers. That ran the Cardinal total to 103 hits and 73 runs. The White Sox topped the American with 90 hits as the Indians led with 47 runs. The Tigers set the home run pace for both leagues with ten, while the Cardinals topped the National with eight.

The Giants committed only three errors, the best mark in either major, and the lowly Red Sox headed the American with four misplays. The opposite extreme was reached by the Indians. The Cubs and the Braves. Each of these teams turned in 14 blunders.

BABE HERMAN OF BROOKLYN IS STILL LEADING NATIONAL WITH JIMMY FOXX AS AMERICAN ACE

NEW YORK, July 6.—(AP)—Babe Herman of Brooklyn continues to set the pace for the National league batsmen, this time with an average of .386, according to figures released today and including games of last Wednesday. Frank O'Doul of Philadelphia, however, no longer crowds Herman for first place. Bill Terry of New York standing second with .373. With O'Doul standing in a tie for third with Frank Frisch of St. Louis. Each of the two has .363.

Rogers Hornsby of Chicago added thirty points to his average in the week ending Wednesday, running his mark to .362, his highest of the season to date. Other leading regular batsmen are: Stephenson, Chicago, .356; Roush, New York, 352; Hendrick, Brooklyn, .345; L. Waner, Pittsburgh, .344 and Cuyler, Chicago, 343.

Melvin Ott of New York holds the triple honor of leading in home runs with 23, in runs scored with 72 and in runs batted in with 83. His team-mate, Bill Terry, has the greatest total of hits, 112, while Frank Frisch leads with 23 doubles. Lloyd Waner of Pittsburgh leads in triples with 11, while Kiki Cuyler of Chicago has stolen 23 bases, the best mark in base running to date.

Grimes Has 13.

Burleigh Grimes remains in the vanguard of the pitchers, this time with thirteen victories against one defeat for a mark of .929. He also leads in total innings pitched with 147. Guy Bush, the Chicago ace, has won ten out of eleven for .909. John Morrison has won four decisions in his salvage work for the Brooklyn team and has taken one other game as a starting pitcher, with no defeats charged against him but of course cannot yet be regarded as a regular.

The Giants lead in team batting this week with an average of .308, followed by the Pirates who are hitting .304. The Phillies are right behind with .303, and the Cubs have .295. The Giants also lead in team fielding with .973, one point more than the Cubs.

CHICAGO, July 6.—(AP)—The busiest bat in the American league, operated by Jimmy Foxx, Philadelphia first baseman was increasingly active and Connie Mack's versatile workman led the junior major circut for the sixth consecutive week with an average of .410, unofficial figures including games of Wednesday reveal.

Foxx tacked five points onto his mark to remain at the top while Bob Fothergill of Detroit, picked up four points, and stayed in second position with a mark of .397. Harry Heilmann, another Tiger, who figures on leading American league during odd years, climbed into the first ten for the first time of the season with .351. Other leaders besides Foxx and Fothergill were: Manush, St. Louis, .389; Lazzeri, New York, 372; Simmons, Philadelphia, .367; Cochrane, Philadelphia, .361; Fonseca, Cleveland, .358; Gehlinger, Detroit, 352; Heilmann, Detroit, .351; Combs, New York, 351.

Athletics Leading

As a team the Athletics did not hit quite so hard during the week, but remained in the lead with an average of .312, a four point drop. The Tigers improved by two points to .308, and remained in second position. The Athletics had scored a season total of .457 runs, while holding opponents to 273. The Yankees, due largely to the revival of Babe Ruth's activity, had collected 68 home runs, to 62 for the Athletics.

Although Bob Grove lost his only start of the week he continued to set the pace for pitchers working in turn. The Athletics' southpaw had 12 victories and two defeats. His left-handed team-mate, Rube Walberg, ranked second with 12 wins and three defeats by winning two games. Eddie Rommel worked in two games but failed to alter his season mark which stood at six victories and no defeats.

The Yankees and Washington were tied for the leadership in team fielding with an average of .975. The Athletics, who led last week, dropped to a tie for second with the St. Louis Browns at .974.

Other leaders: Runs batted in, Simmons, Philadelphia, 81; Home runs, Gehrig, New York, 21; Runs scvored, Gehringer, Detroit, 72; Triples, Miller, Philadelphia, 9; Doubles, Heilmann, Detroit, 28; Stolen bases, Gehringer, Detroit, 13; Triple plays, Chicago and New York one each; Double plays, Cleveland, 85; Strike outs, Grove, Philadelphia, 88.

PURDON PEEWEES IN TIE THURSDAY WITH KIDS OF PINKSTON

PURDON, July 5.—(SP)— The Purdon Peewees and the Pinkston Kids met in a Fourth of July game at Silver City Thursday afternoon and battled to a 7 to 7 tie which was not played off due to interference of the rain. Both teams played great ball for youngsters and a large crowd was present to witness the contest and partisians of both teams grew enthusiastic as their favorites forged ahead or some member of the team made an especially brilliant play.

These two dimunitive teams are pretty evenly matched and a playoff of the tie will be had at Purdon Saturday afternoon at 3:30, and a great crowd is expected, as much interest is being taken in the teams and the games in the Purdon-Pinkston districts.

Bazette Team Took Week-End Contests

In a game replete with errors, the Bazette nine won an 8-3 decision over the Tupelo baseball team at Bazette Friday afternoon. Bobbitt, Bazette, and R. Robinson, Tupelo, tied for batting honors with three hits, a double and two singles, in four attempts.

Saturday afternoon, the Bazette crew continued their winning ways by handing the Kerens Independents an 8-4 drubbing on the Bazette diamond.

According to an announcement made Monday morning by Tom Warren, manager of the Bazette team, four games are scheduled for this week. Tupelo at Tupelo Tuesday afternoon, White's Chapel at White's Chapel Wednesday and two games with the Kerens Independents in Kerens Thursday and Saturday afternoons.

Score of Friday's game:

Tupelo ....000 100 200—3 7 9
Bazette ....101 100 14x—8 7 9

Batteries — Mitchell and Hillhouse; Tramel and Upchurch.

J. W. Burnett, who lives in Powell, spent a short time in town Saturday.

D. A. McCulloch of the Dawson community, visited in the city on business Saturday afternoon.

OPPOSES SOCIAL EQUALITY EFFORTS IN RACE MINGLING

GOVERNOR OF TEXAS APPROVES PART RESOLUTION PASSED BY LEGISLATURE

AUSTIN, July 6. (AP)—Governor Dan Moody, while opposing the mingling of races on a basis of social equality today stood squarely against any personal criticism of the first lady of the land in connection with the recent entertaining at the white house of a negress.

Both houses of the Texas legislature recently passed a resolution condemning Mrs. Hoover's action in connection with the tea.

Governor Moody yesterday approved a part of the resolution, but in a statement filed with the resolution, excepted "any part of the resolution which reasonably may be construed as a personal criticism of the wife of the president of the United States."

Democratic party bolters who voted for Herbert Hoover also were excepted by the governor in his statement from the resolution's criticism. "I do not officially upbraid any because they exercise the liberty to vote views different from mine," he said, "nor do I approve any attempt at official criticism of any citizen's vote."

"Any mingling of the races upon a basis of social equality is intolerable and no precedent can justify it," he said. "The ill effects .... are thoroughly demonstrated by the recent contemptible public utterances of the negro whose wife was the recipient of the invitation mentioned in the resolution."

TAYLOR STARS AS BLOOMING GROVE BESTS BRANDON

BLOOMING GROVE PITCHER FANS TWELVE VISITORS IN 10-4 GAME

BLOOMING GROVE, July 8.—(Spl.)—With "Lefty" Taylor smashing out two home runs, a triple and double in five times at bat, the Blooming Grove Independents easily defeated the Brandon town team here Saturday afternoon. The score was 10 to 5.

Allman, Blooming Grove pitcher, whiffed twelve of the Brandon would-be hitters and allowed only seven scattered bingles. Allmon also was placed as lead off man, an unusual position for a pitcher, but delivered three singles in five attempts.

MARVIN WALLACE WON LONG DRIVE WITH 230 YARDS

JOHN C. HUGHES DUBBED THREE FOR SHORT PRIZE OF EVENT

BY PAUL MOORE.

Rain caused the cancellation of the handicap golf tournament at the Lakeview Golf and Country Club Thursday and thirty-odd players who were on the course at the time of the deluge Thursday afternoon received a soaking. Only a few had completed their rounds and J. G. Hickson, owner of the course refunded the money to the contestants. Many wet clubs and bags were strewn about the office of the club to dry late Thursday afternoon. The long driving contest, however, was held.

The rains of Thursday morning caused the postponement of the play during the morning and more than 30 entrants were playing Thursday afternoon with scores of others planning to play late in the afternoon. Indications were that the tournament would have been one of the best in the history of the club in the event that favorable weather conditions had prevailed.

Wallace Long Driver.

In the long driving contest, Marvin Wallace won the first prize of three golf balls with a distance of 230 yards. Sonny Poindexter was second with 199 yards and J. E. Butler was third with 190.

John C. Hughes, well-known salesman, won the short driving contest when he "dubbed" three shots in succession. The second prize awarded to Poindexter was two balls and Butler and Hughes received one ball each.

A considerable gallery was present for this feature of the day. Many of the shots were longer than the winners announced, but they were out of bounds and were disqualified.

Despite the weather of Thursday, there were sixty-six golfers who played around or a portion around the course, a number playing their qualifying rounds and a number playing who were not entered in the tournament.

The Course had been re-sanded and was in excellent condition for the tournament Wednesday afternoon.

Pitching—Grove, Athletics, won 13, lost 2.

BAZETTE BESTS TUPELO

The Bazette baseball team defeated the Tupelo nine at Bazette Friday afternoon, 8 to 3. Bobbitt, first-sacker of the Bazette club, led the hitting when he connected with a two-bagger and two singles in four trips to the plate.

J. L. Scroggins of Powell visited in Corsicana Saturday afternoon.

R. L. Hughes who lives in Wortham, was in town Saturday on business.

Roaming the Realm of County Sports

By DELMORE OLSEN.

The Mag-Miller nine evened the series with the Blooming Grove Independents at two-all by defeating the all-star aggregation from the western portion of the county, 4-3, Sunday afternoon at the Municipal Park. If we were inclined to write sport yarns, we would take a cue from the thrilling finish made by the locals in scoring four runs in the last of the ninth to win the game.

Guess we could name a ball player who would like to own a certain bat which seems to suit him exactly. According to a story told by the owner of the bat, Carl Ruth borrowed the piece of bridge timber some time ago. Sunday afternoon, the owner approached Ruth with the intention of bringing the bat home. After listening to the pleas of the stellar second sacker, he allowed him to use it Sunday in the game with the Blooming Grove boys. Guess he'll have to sell it to Ruth now, as he secured four hits in five attempts, and drove in the winning run with a solid smash to the right field wall.

The Paris Scouts won the championship of Northeast Texas in the American Legion Junior baseball league of Texas by defeating the Corsicana Cotton Mill Juniors 7-3 on a soggy field at the Municipal Park Independence Day.

Lefty Taylor, center fielder for Blooming Grove who calls Dawson his home, has hit the ball at a terrific clip for the season, getting 17 hits in 29 times at bat for an average of .585.. Pretty fair for a high school player. If this Taylor keeps up his great hitting and fielding, he will make a valuable man in organized baseball.

The Whites' Chapel nine took a 2-0 decision over the Tupelo aggregation Saturday afternoon when Dugan threw wild to second base and allowed two men to come home. Hits were few and far between in this encounter, the victors getting four and the losers thre.

Aided by six errors, the Corsicana Rinkey-Dinks smothered the Silver City nine under a 9-3 count Sunday afternoon. Thirteen solid smashes were registered off of the delivery of Adkins, those coupled with the six miscues which came at crucial points in the game, acounted for the scoring. Gene Nutt held the batters for the opposition well in hand. The game was played on the Silver City diamond.

POSTAL EMPLOYEES TO MEET NEXT YEAR IN WICHITA FALLS

Wichita Falls was selected as the meeting place for the 1930 convention of the Texas Federation of Postofifce Clerks and of the Texas association of Letter Carriers at the final session of the 1929 convention at the high school auditorium Friday afternoon, winning over San Antonio's invitation by a two to one margin.

Working at top speed all four sections of the convention added to a great bulk of work at the final sessions, culminating with the election of officers for the ensuing year, and then with the joint session of the carriers and clerks to select a meeting place.

All of the sections expressed their great appreciation to the Corsicana locals for the elaborate all set at midnight to deliver a mass attack against imported non-union carmen, but the special train which brought them in was shunted about on sidings until trace of it was lost. The operators, brought manner in which they were entertained and for the smoothness of functioning of the convention due to the adequate preparations made by the various local chairmen. The visitors were highly complimentary to Postmaster P. Mayer, and the other supervisory officials of the Corsicana postoffice who were in constant attendance upon the meeting and were active in entertaining the delegates.

The officers elected for the ensuing year follow:

Letter carriers: president, W. K. Ragsdale of Fort Worth; vice-president, T J. Nance of El Paso; secretary, R. E. Ford of Hillsboro; treasurer, F. C. Culpepper of San Antonio; delegate at large to the national convention, W. E. Martin, Wichita Falls; alternate, D. O. Cooper of Fort Worth.

Letter carriers auxiliary: president. Mrs. J. R. Carson, Waco; vice-president, Mrs. D. S. Wills, Amarillo; secretary, Mrs. L. R. Bond, Amarillo; treasurer, Mrs. W. E. Martin, Wichita Falls; delegate, Mrs. R. L. Hopkins, Dallas; alternate, Mrs. W. E. Martin, Wichita Falls.

Postoffice clerks: president, Arthur H. Dye, Amarillo; first vice president, J. O. Jobe of Waco; second vice president, Max Springer of San Antonio; third vice president, Roy Edmondson of El Paso; fourth vice president, D. V. Baker, Amarillo; fifth vice president, W. H. Hubbard, Fort Worth; sixth vice president, A. J. Hale of Houston; treasurer, Max Schramm of Austin; secretary, James E. Hale, of Dallas; delegate to national convention, Walliam M. Cole, El Paso.

Clerks auxiliary: president, Mrs. J. J. McConnell or San Antonio; first vice president, Mrs. A. J. Hale, Houston; second vice president, Mrs. Roy Edmondson, El Paso; secretary, Mrs. E. E. Guthrie of Fort Worth.

We Are Buying Sour Cream

On Wednesdays and Saturdays now. For best results cream should not be kept longer than four days this hot weather.

FATHER OF SLAIN GIRL KILLS DYING SUITOR MURDERER

MISSOURI GIRL WAS SHOT TO DEATH BY YOUTH WHEN SHE REFUSED WED HIM

KEWANEE, Mo., July 5.—(AP)—Because she refusedto marry him, Honas Mayberry, 19, of Fort Wayne, Ind., shot and killed Irma Hendershott, 16, at the Hendershott farm home near here late yesterday and then was shot and killed by the girl's father as the young mna atempted to commit suicide.

The girl was shot five times, Mayberry saving one bullet in his revolver for himself. He sent the bullet into his head but had not died when the father, William Hendershott, prominent New Madrid county farmer, rushed up with a shot gun and discharged it into his head.

The shooting took place in the yard of the farm home soon after Mayberry had arrived from Fort Wayne. He formerly resided at Sikehton, Mo., a neighboring town and was a boyhood suitor of Irma.

In letters to Irma, authorities were informed, Mayberry had demanded she meet him when he arrived by bus yesterday in order that they might get married. When she failed to appear he went to the Hendershott home where he found her in a field.

After a quarrel they started for the house and as they reached the yard Maybery drew a revolver and shot her. Her father, on a wheat binder in a nearby field, saw the shooting. Picking up a shot gun he carried to kill rabbits, he rushed toward the youth as Mayberry shot himself, and fired as he reached him.

Hendershott was not arrested.

HENRY HELMS IS SENTENCED TO DIE ON SEPTEMBER 6TH

CISCO "SANTA CLAUS" BANK ROBBER ORDERED PAY SUPREME PENALTY IN CHAIR

EASTLAND, July 5.—(AP)—Henry Helms, one of four men wounded in gunfights after robbery of the First National Bank of Cisco on Dec. 23, 1927, all of whom were convicted, today was sentenced to electrocution on Sept. 6 for participation in the "Santa Claus" robbery.

Helms was convicted in February, 1928.

Marshall Ratliff, who headed the gang and was dressed as "Santa Claus" during the robbery, is in "death row" at Huntsville. He drew the death penalty for slaying Bit Bedford, Cisco police chief, who, with George Carmicheal, policeman, was wounded fatally in a fight with the robbers.

Robert Hill, the third robber, pleaded guilty to robbery with firearms and was sentenced to 99 years. He recently escaped but was recaptured. L. E. Davis, fourth member of the gang, died in a Fort Worth hospital from wounds on Christmas day, 1927.

Bedford and Carmichael were shot down near the rear door of the bank. The robbers fled after they had used Laverne Comer and Emma Mae Robinson, 12-year-old Cisco girls, as shields when they raced from the town. Their automobile was pierced by many bullets, but the girls were not injured. Ratliff was captured at South Bend while Helms and Hill were taken at Graham a week after the holdup.

BASEBALL BATS, big shipment just received. Professional bats now 75c, $1, $1.50. City Book store.

IMMEDIATE ACTION WILL BE TAKEN TO CONDEMN WHISKEY

NEARLY FIVE HUNDRED BARRELS AND 1955 CASES FOUND BE SPURIOUS

CHICAGO, July 5.—(AP)—Immediate action to condemn 482 barrels and 1,955 cases of spurious bonded medicinal liquor will be started by the federal government, it has been announced by officials.

The liquor recently was discovered substituted for bona fide whiskey store here in the Sibley warehouse, the government concentration depot for the middle west.

How the liquor, kept under close guard by federal agents and gaugers on the sixth and seventh floors of the building, was stolen and the spurious whiskey put in its place has not been revealed.

Local prohibition authorities said colored water, mixtures of water and alcohol, and raw alcohol had been used as substitutes for the whiskey. The thefts were discovered as early as last August, one official said, and an extensive investigation has been carried on since. W. H. Kennedy, deputy prohibition administrator, said that "perhaps 25 or 30 persons have been under investigation and there will probably be 50 or more witnesses taken before the grand jury."

Officials said probably 30,000 gallons of good whiskey 10 and 12 years old had been taken from the warehouse and put on the market. At bootleg prices it was valued at more than $2,000,000.

CORSICANA PEOPLE LAW ABIDING UPON FOURTH OF JULY

Corsicana enjoyed the quietest July Fourth in its history Thursday with practically no complaint being heard by the officers.

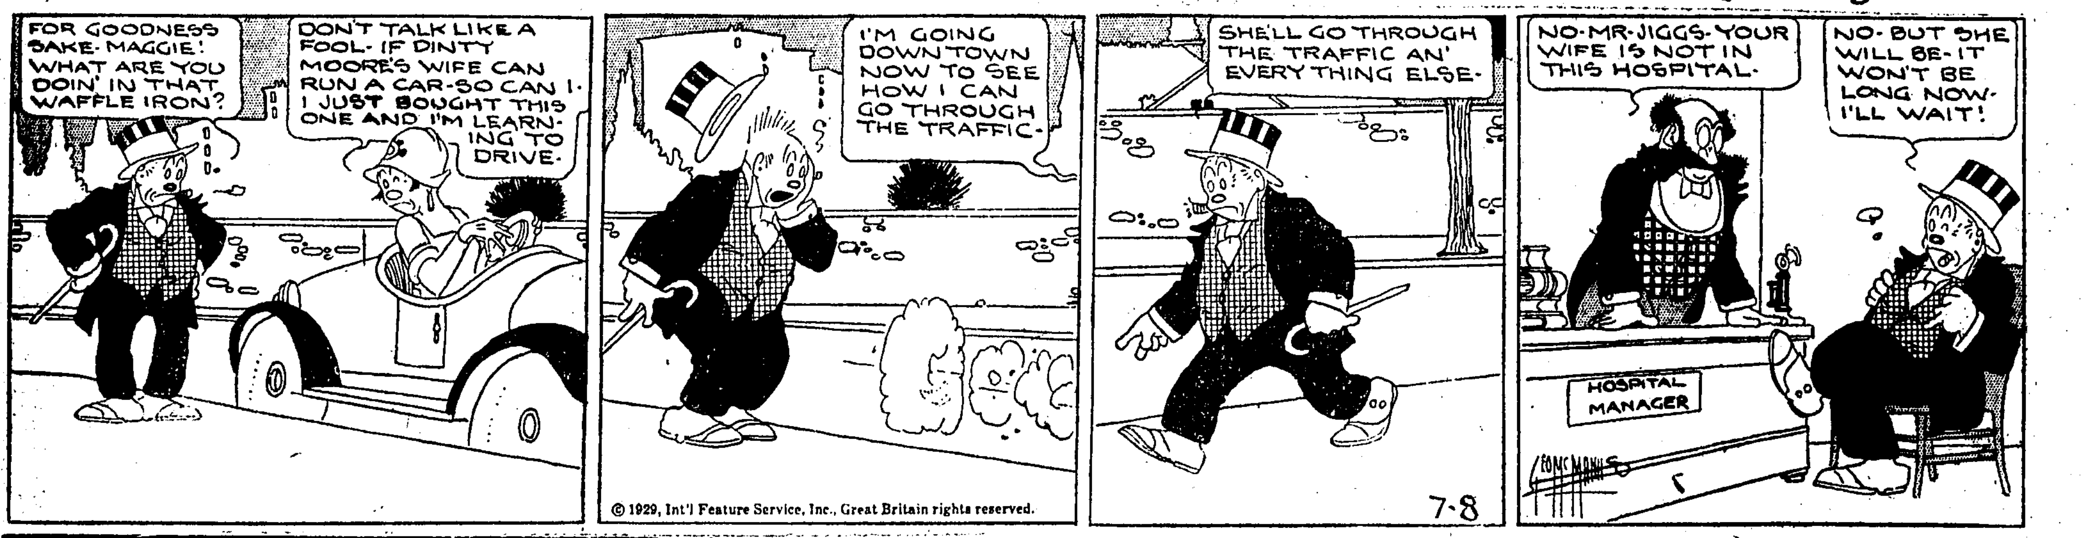
No arrests were made by the city police department other than for some old fines which had not been paid. Chief of Police Will S. Knight reported the day the quietest imaginable.

The constable's office arrested four, but three were outside of the city limits. The charges for the one in the city was drunkenness and the three others were for vagrancy.

The sheriff's department arrested six persons on drunkenness charges, all in the city limits, and all six at the same time and place.

BRINGING UP FATHER---

By George McManus.



FOR GOODNESS SAKE-MAGGIE! WHAT ARE YOU DOIN' IN THAT WAFFLE IRON?
DON'T TALK LIKE A FOOL- IF DINTY MOORE'S WIFE CAN RUN A CAR-SO CAN I- I JUST BOUGHT THIS ONE AND I'M LEARNING TO DRIVE-
I'M GOING DOWNTOWN NOW TO SEE HOW I CAN GO THROUGH THE TRAFFIC-
SHE'LL GO THROUGH THE TRAFFIC AN' EVERYTHING ELSE-
NO-MR-JIGGS-YOUR WIFE IS NOT IN THIS HOSPITAL-
NO-BUT SHE WILL BE-IT WON'T BE LONG NOW-I'LL WAIT!

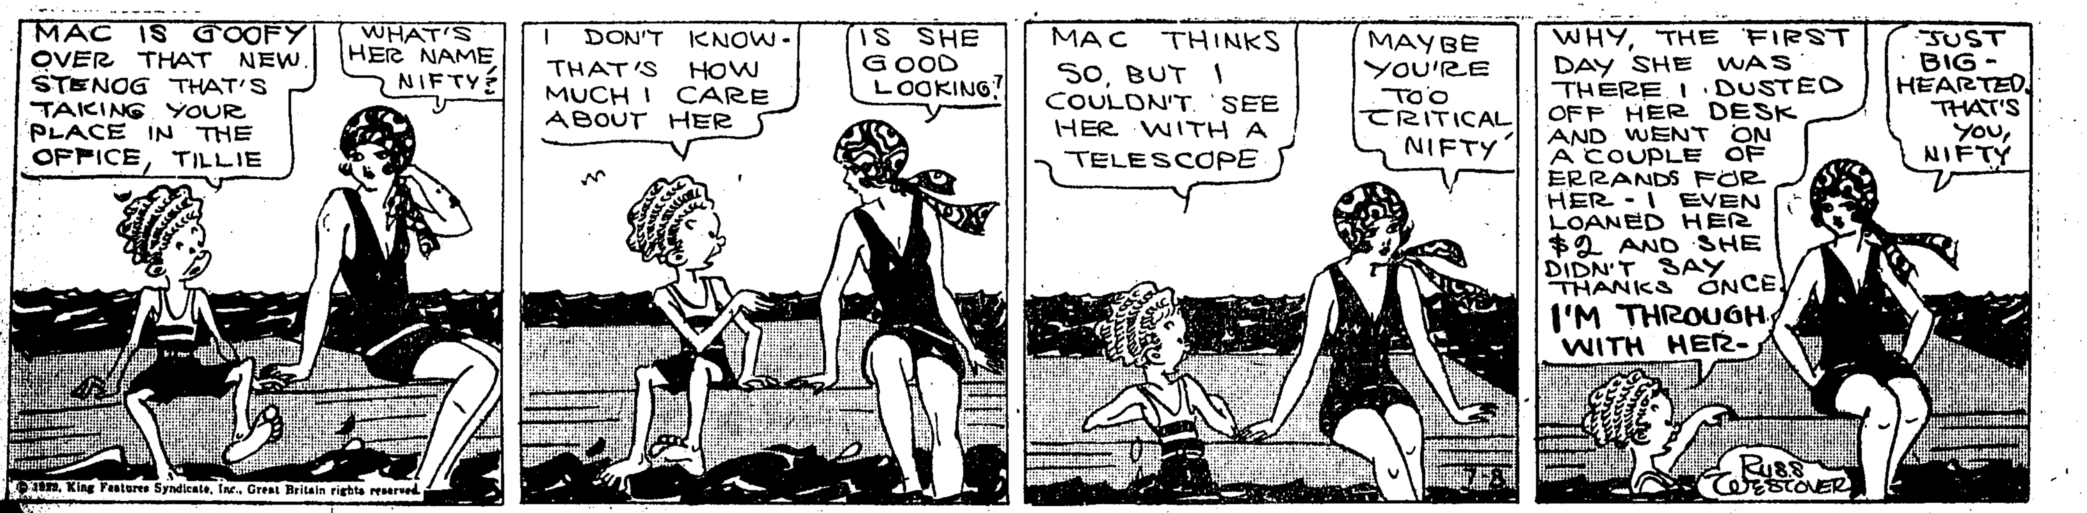
TILLIE THE TOILER---JUST PLAIN HUNGRY

By Russ Westover.



MAC IS GOOFY OVER THAT NEW STENOG THAT'S TAKING YOUR PLACE IN THE OFFICE, TILLIE
WHAT'S HER NAME, NIFTY?
I DON'T KNOW- THAT'S HOW MUCH I CARE ABOUT HER
IS SHE GOOD LOOKING?
MAC THINKS SO, BUT I COULDN'T SEE HER WITH A TELESCOPE
MAYBE YOU'RE TOO CRITICAL NIFTY
WHY, THE FIRST DAY SHE WAS THERE I DUSTED OFF HER DESK AND WENT ON A COUPLE OF ERRANDS FOR HER - I EVEN LOANED HER $2 AND SHE DIDN'T SAY THANKS ONCE. I'M THROUGH WITH HER-
JUST BIG-HEARTED, THAT'S YOU, NIFTY

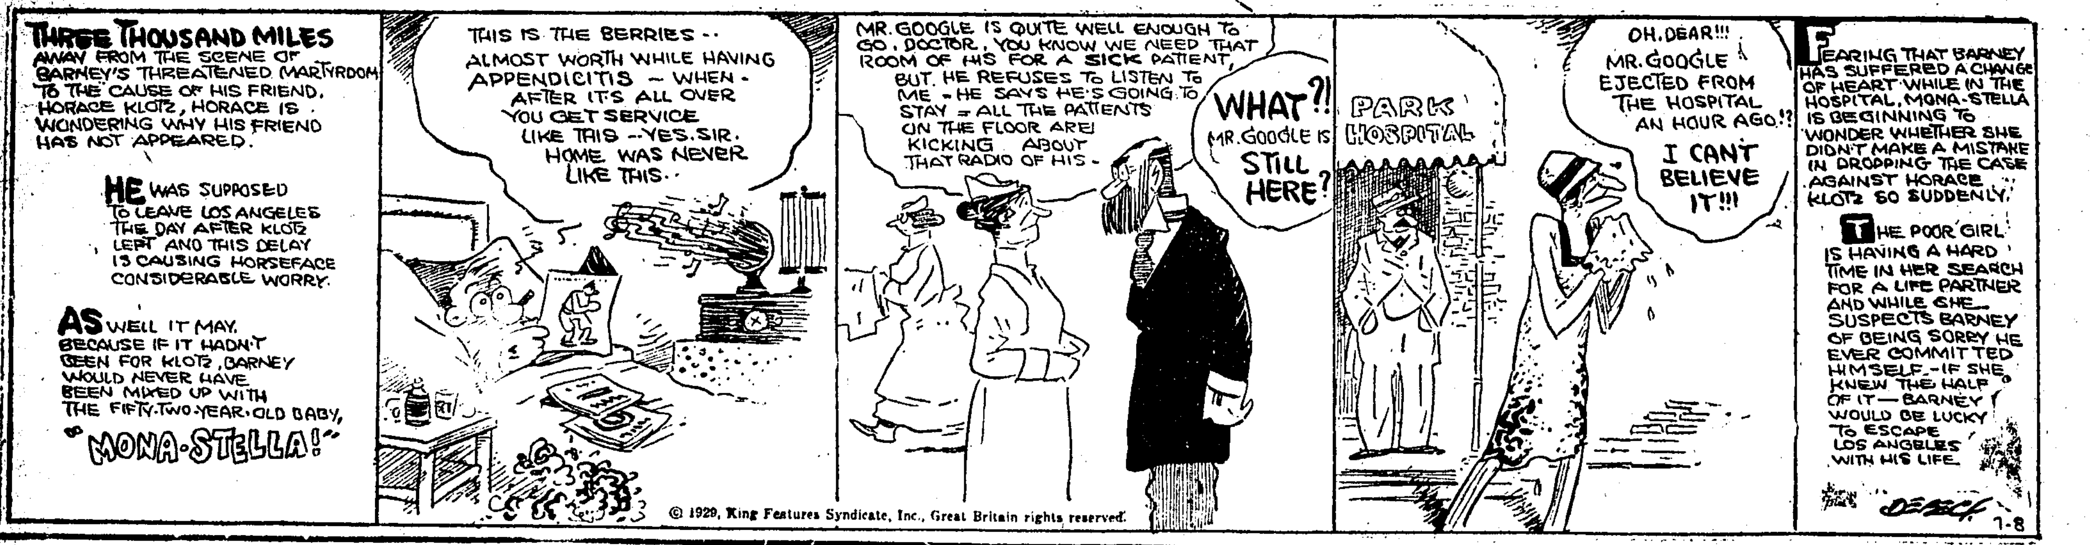
BARNEY GOOGLE AND SPARK PLUG---TOO GOOD TO LAST

By Billie DeBeck.



THREE THOUSAND MILES AWAY FROM THE SCENE OF BARNEY'S THREATENED MARTYRDOM TO THE CAUSE OF HIS FRIEND, HORACE KLOTZ, HORACE IS WONDERING WHY HIS FRIEND HAS NOT APPEARED.
HE WAS SUPPOSED TO LEAVE LOS ANGELES THE DAY AFTER KLOTZ LEFT AND THIS DELAY IS CAUSING HORSEFACE CONSIDERABLE WORRY.
AS WELL IT MAY. BECAUSE IF IT HADN'T BEEN FOR KLOTZ, BARNEY WOULD NEVER HAVE BEEN MIXED UP WITH THE FIFTY-TWO-YEAR-OLD BABY, "MONA-STELLA!"
THIS IS THE BERRIES -- ALMOST WORTH WHILE HAVING APPENDICITIS - WHEN - AFTER IT'S ALL OVER YOU GET SERVICE LIKE THIS --YES, SIR. HOME WAS NEVER LIKE THIS--
MR. GOOGLE IS QUITE WELL ENOUGH TO GO, DOCTOR, YOU KNOW WE NEED THAT ROOM OF HIS FOR A SICK PATIENT, BUT HE REFUSES TO LISTEN TO ME - HE SAYS HE'S GOING TO STAY - ALL THE PATIENTS ON THE FLOOR ARE KICKING ABOUT THAT RADIO OF HIS-
WHAT?! MR. GOOGLE IS STILL HERE?
PARK HOSPITAL
OH, DEAR!!! MR. GOOGLE EJECTED FROM THE HOSPITAL AN HOUR AGO!? I CAN'T BELIEVE IT!!!
FEARING THAT BARNEY HAS SUFFERED A CHANGE OF HEART WHILE IN THE HOSPITAL, MONA-STELLA IS BEGINNING TO WONDER WHETHER SHE DIDN'T MAKE A MISTAKE IN DROPPING THE CASE AGAINST HORACE KLOTZ SO SUDDENLY.
THE POOR GIRL IS HAVING A HARD TIME IN HER SEARCH FOR A LIFE PARTNER AND WHILE SHE SUSPECTS BARNEY OF BEING SORRY HE EVER COMMITTED HIMSELF - IF SHE KNEW THE HALF OF IT — BARNEY WOULD BE LUCKY TO ESCAPE LOS ANGELES WITH HIS LIFE.
DEBECK

Total sales 3,522,160 shares.

NEW YORK, July 8.—(AP)—The stock market again moved irregularly higher at the opening of today's session. American Can, Allied Chemical, New York Central, Westinghouse Electric, American and Foreign Power, and Michigan Steel sold from 1 to 1 1-4 points higher. A block of 14,000 shares of Taft was taken at 10 1-2, up 3-8. General Electris, however, slipped back a point.

Strong buying came into the market in expectation of definite improvement in credit this week, with the mid year settlements out of the way.

Steels were well bought in response to the week end trade reviews. Michigan Steel jumped 4 points to a record at 104, and U. S. Steel sold up 2 points.

Case Threshing advanced 3 1-2 points, and Union Carbide made a like gain. American Car and foundry gained 3 points. National Biscuit, DuPont, American Telephone, Briggs, Columbus Gas, Lambert and Western Union climbed a point and more. The rails were again under accumulation, Lackawanna, Canadian Pacific, New Haven and Chesapeake Corp., gaining a point or so.

A few soft spots cropped but, Johns Manville, Studebaker and National Cash Register, in addition to General Electric, slipping back 1 to 1 1-2 points.

Foreign exchanges opened firm, cables mounting 1-8 of a cent to $4.85.

The closing tone was strong. Total sales approximately 3,500,000 shares.

Chicago Cotton Futures

CHICAGO, July 8.—(AP)—Cotton futures closed:

July	18.25
October	18.41
December	18.61

Liverpool Spots Quiet.

LIVERPOOL, July 8.—(AP)—Cotton—Spot quiet; lower; American strict good middling 10.93; good middling 10.53; sthrict middling 10.33; middling 10.13; strict low middling 9.83; low middling 9.53; strict good ordinary 9.13; good ordinary 8.73; sales 5,000 bales, 4,300 American. Receipts 4,000; American 700. Futures closed quiet: July 9.80; Oct. 9.73; Dec. 9.74; Jan. 9.74; March 9.79; May 9.80.

New York Cotton Lower.

NEW YORK, July 8.—(AP)—The cotton market opened 3 to 7 points lower under selling stimulated by relatively easy cables, a favorable view of over-Sunday weather reports and expectations of full government acreage figures. The market worked off to 17.97 for July or 3 points net lower, while new crop deliveries showed net losses of 10 to 12 points, with October selling at 18.15 and January at 18.41 by the end of the first half hour.

The market sold about 6 to 14 points below yesterday's close during the middle of the morning under further liquidation and a little local and commission house selling. July worked off to 17.94 and December to 18.40, but there was more covering, together with a little trade buying at the decline, and the market was 3 to 4 points up from the lowest, when trading was suspended to receive the government acreage report at midday.

Futures closed steady, 19 to 25 points higher. Spot quiet, middling 18.60.

New Orleans Cotton Easy.

NEW ORLEANS, July 8.—(AP)—The cotton market opened easy in sympathy with relatively easy cables. First trades showed loss of 4 to 8 points and although prices rallied 3 to 4 points on buying promoted by scattered rains over the week-end, the market weakened again under final liquidation in advance of the official acreage report.

At the end of the first hour October sold at 18.06, and December 18.25, or 10 points under Saturday's close.

The report when issued giving the increase as 3.2 per cent was slightly less than the trade expected and resulted in an advance of over $1 a bale from the early low points. October sold up to 18.33 and December 18.53. The demand appeared to have been supplied at the recovery and the volume of business tapered off. Near mid-session realizing developed and prices eased off 5 points from the top.

PERSONAL

E. L. Green of Retreat was a Corsicana visitor Monday afternoon.

M. M. White of Navarro spent Monday afternoon in the city attending to business.

D. N. Boyte of Navarro was here on business Monday morning.

W. W. Hoyt of Zion's Rest was in the city Monday on business.

Tom Vandergriff of Phillip's Chapel was a business visitor in the city Monday morning.

Tom Warren of Bazette was a Sun office visitor Monday morning.

Mr. and Mrs. Henry Slate returned Friday evening from a pleasant week's vacation in Wylie, Texas, visiting his parents, Mr. and Mrs. J. S. Slate, former residents in Corsicana.

Chamber Directors Will Decide College Location Tuesday

The board of directors, educational committee of the local chamber of commerce, and others, will meet at the chamber of commerce Tuesday morning at 11 o'clock to further consider the proposed bringing of Westminster College from Tehuacana to Corsicana, and a large representation is desired by those in charge.

Officials of the college and also officials of the Methodist Protestant church, will be here and this is a very important meeting as it is expected that a final decision will be made whether a campaign is launched here for the bringing of the college to Corsicana.

Officials of the college and several members of the directorate and the educational committee conferred Friday morning but due to the small number of local citizens present, this special meeting Tuesday morning was called.

All interested in the proposed securing of a junior college for Corsicana are urged to be on hand Tuesday morning.

Planes Reach St. Louis.

ST. LOUIS, July 8.—(AP)—Two planes inaugurating the air-rail service of the trans-Continental Air Transport, Inc., and the Pennsylvania Railroad, landed at Lambert-St. Louis field shortly before noon today and left for Kansas City after brief stops.

DALLASITE TIED FOR LEAD.

MISSION HILLS, Kansas City, July 8.—(AP)—Clarence Hubby, Dallas, Texas, and Chester C. Jones, Kansas City, were tied for low score in the first 18-hole qualifying test of the Western Amateur Golf tournament after a third of the field had finished early this afternoon. Each had a 71, one under par.

NEGRO IS INJURED.

Homer Watson, negro, aged 40 of Trinidad, is in the Navarro County Hospital Monday receiving medical treatment for several knife wounds received Sunday. Details are lacking.

Another NEW Ford and Glenn record, "She's Just a New Kind of An Old Fashioned Girl" and "When My Dreams Come True." City Book Store.

Grain and Provisions

CHICAGO, July 8.—(AP)—Rains checking drought damage both north and south of the Canadian line today led to early lower prices here for wheat.

Opening at 1-2c to 1 3-4c setback, wheat values later showed considerable power to rally. Corn and oats were also easier, with corn starting 3-8c to 7-8c off, and subsequently declining further, provisions tended to advance.

Wheat closed firm 7-8 to 1 8-7 cents above Saturday's finish. Corn closed 1-8 to 3-4 cents up. Oats varying from 1-4c decline to an equal advance. Provisions unchanged to a rise of 12c.

Walther League in Session at Dallas

DALLAS, July 8.—(AP)—Balloting on new officers, the hearing of speakers in the oratorical contest and committe reports occupied the attention today of the 500 delegates here for the tenth annual convention of the Lone Star Walther league. Winners of the convention's election was to be announced late today.

Prof. E. H. Engelbrecht, professor of history at Emporia Teachers' College, River Forest, Ill., delivered the international representative's report. He declared the league had grown from an organization of 300 societies in 1927 to 1,150 senior bodies and 450 junior bodies with over 60,000 members in 1929.

PHILP TAKES NEW PLACE.

WASHINGTON, July 8.—(AP)—John W. Philp, former Dallas postmaster, took the oath of office as fourth assistant postmaster general in charge of rural mails today, succeeding H. H. Billany, for eight years fourth assistant. N. H. Goodell, Edinboro, Pa., national president of Rural Letter Asosciation, represented that organization at the brief ceremony in the office of the postmaster genral.

SICK AND CONVALESCENT.

According to reports received here, William Martin, Jr., son of Mr. and Mrs. W. W. Martin, 1241 West Fourth avenue, is improving rapidly after a tonsil operation in Houston last Friday and will be able to come home the last part of this week.

ANNOUNCES CANDIDACY.

AUSTIN, July 8.—(AP)—Miss Eugenia Boehringer, Marshall, secretary to Railroad Commissioner C. V. Terrell, today announced her candidacy to succeed Representative Woodall, Marshall, whose resignation was filed with Governor Moody today.

Miss Boehringer is a former student of the University of Texas.

RAIL HEARING POSTPONED

AUSTIN, July 8.—(AP)—Hearing of an application by the Missouri, Kansas and Texas Railroad to discontinue operation of two trains between Waco and Rotan, scheduled for Tuesday before the Railroad Commisison, was postpuoned today until September 10 at Austin.

STATE RESTS CASE.

DALLAS, July 8.—(AP)—The state rested its case against H. R. Armstrong, charged with assault to murder as a result of an attempted jail break here on May 18, today after calling but one witness.

Armstrong is under a 25-year sentence for robberey with firearms.

Box Supper

There will be a box supper at Max Avenue Church next Thursday night, July 11th, sponsored by the Missionary Society. Everybody invited.

Shrieking Mother Identified Body of Missing Son

SAUGUS, Mass., July 8.—(AP)—Hysterically shrieking "Patsy has carried out his threat," Mrs. Santi-Demore of Boston today identified the body of a 10-year-old boy found in the marshes here yesterday as that of her son, Salvatore. The boy had been missing for 19 days.

According to police, Patsy was the leader of a Black Hand group in Boston, which in a letter had demanded $5,000 from the boy's father under threat of injury to his family. The threat, police said, was the outgrowth of a feud of long standing. The first demand was made shortly before the boy disappeared. During his absence, two other letters were received which contained similar threats.

The identity of Patsy was known to police and a search was made for him.

Attorney General Has Warned Legislature of Impending Troubles

AUSTIN, July 8.—(AP)—A warning that large interests are preparing to attack the constitutionality of a statute imposing a franchise tax on foreign corporations based on authorized capital stock was sounded today by Attorney General Claude Pollard in a communication to the legislature.

Pollard said he doubted the validity of the Texas statute and offered his services in preparing a bill which would remedy defects complained of by the corporations. A Washington statute similar to the Texas law recently was held unconstitutional, he said.

Should the law be declared void, the state would lose approximately $50,000 annually, the attorney general estimated.

A bill remedying the franchise tax was introduced at the second special session but died on the calendar.

Father's Disapproval Of Suitor Is Fatal

SAN ANTONIO, July 8.—(AP)—A father's disapproval of his daughter's suitor, which flared into tragic action in a running street fight here Sunday night, today had put one man in the morgue, another in the hospital and another in jail, while police sought a fourth.

Lazaro Vasquez, 40, died of a heart wound at a local hospital Sunday. His nephew, Willis Cruz, 36, of Von Ormy, was under guard at the hospital and being treated for a knife wound in the side.

Joe Gorena, 19, of San Antonio was in the city jail with a slight cut on his head. A fourth man, whom Goroena says he knifed, was the subject of a police search.

Love For Dogs May Cost Man His Life

MISSION, July 8.—(AP)—Clyde Lathamss love for dogs led to his being near death from a shotgun wound in a hospital here today.

Latham went to the city dog pound Saturday to seek the release of his dogs. There an argument arose with Ephram Deckard, poundmaster, and Latham smashed the pound gate with an iron bar, releasing the animals. The shooting followed.

Both Latham and Deckard explained what happened. Deckard was held by police.

Trunks Containing Opium Ordered Held

WASHINGTON, July 8.—(AP)—Seven trunks belonging to Mrs. Ying Kao, seized in San Francisco by the customs officers, were held up because secret treasury agents aboard reporter they contained tins of opium valued at approximately $60,000.

Another shipment Patsy and Skippy, a new creation in dolls every child loves. City Book store.

May Visit Uncle Sam

Mustapha Kemal Pasha, President of Turkey, may visit these shores soon, according to rumors that are being widely discussed in diplomatic circles. It is believed that he will undoubtedly receive a hearty welcome to the United States.

Governor Moody Vetoes Several Appropriations

AUSTIN, July 8.—(AP)—Governor Moody today vetoed three appropriations measures providing for support of the state government during 1930-31, payment of miscellaneous claims and accounts against the state and making refunds for illegally assessed seat taxes on busses travelling on non-fixed routes.

The explanation that appropriations voted for the legislature totaled $55,000,000 and that the general revenue would not exceed $49,000,000 was responsible for his refusal to sign the measures, the Governor said.

"I believe that considerable reduction can be made in these bills," Governor said in his statement accompanying the vetoes.

THOUSANDS CROWD PIER TO WELCOME GOVERNOR-GENERAL

DWIGHT F. DAVIS ARRIVES AT MANILA TO TAKE UP DUTIES

MANILA, July 8.—(AP)—Welcomed to Manila today by thousands of persons who crowded the pier, streets and the Ayuntamiento, the old legislative buildings, Dwight F. Davis became the ninth American governor-general of the Philippine Islands.

Mr. Davis pledged his administration to the friendliest co-operation with the Filipino people and to a policy of efficient economy.

Despite a steady rain which fell all morning, thousands crowded the pier where he was officially welcomed by Vice Governor-General Eugene Wilmore and other notables.

Abilene Attorneys Favor Amendment

ABILENE, July 8—(AP)—Attorneys representing the 21 counties in the eleventh supreme court judicial district in a meeting here today went on record as whole-heartedly endorsing the state constitutional amendment which, if passed in an election on July 16, will increase the supreme court from three to nine members.

The meeting was presided over by Scott W. Key of Eastland, district chairman. O. C. Funderburk, also of Eastland, M. N. Chrestman, Dallas, J. A. Stephens, Benjamin and Judge W R. Chapman, Abilene, all spoke in interest of the amendment.

Eagle Pass Sheriff Resigned Monday

EAGLE PASS, July 8.—(AP)—Albert Hausser, Maverick county sheriff for the past four and one-half years and past president of the State Sheriff's association, has tendered his resignation to the commissioners' court.

In retiring from office, Hausser announced he would accept a position with the district office of the customs service, which will give him a larger work.

Hausser has been one of the most active sheriffs in the border country.

Would Stop Agents "Twisting" Policies

DALLAS, July 8.—(AP)—Insurance agents who indulge in the practice of "twisting" policies will be punished by law and the charters of companies who allow their agents to indulge in such a practice will be revoked if Representative George Purl of Dallas is successful in having the legislature pass a measure he has in mind. He announced here today that he would attempt to have Governor Moody submit his bill to the present called session of the legislature.

CAR SHORTAGE RELIEVED.

TOPEKA, July 8.—(AP)—General relief from a shortage of box cars to move the wheat crop out of the Southwestern winter wheat area, was reported today by R. E. Clark, secretary of the trans-Missouri-Kansas Shippers' Board.

HAMILTON-BEEMAN ASSOCIATION HAD BIG CELEBRATION

WAYNE HOWELL WAS PRINCIPAL SPEAKER AT FOURTH OF JULY PICNIC

Hamilton-Beeman Memorial Association enjoyed the Fourth of July at Retreat with a good crowd present. A spirit of patriotism and good fellowship enveloped the occasion.

After a pleasant mingling, lunch was served and the only obpjections that any one could offer were that they could not eat more.

A great abundance of everything good was there, even after every one was satisfied. Many packages were sent to those who could not be present.

After lunch, a program was enjoyed as follows:

A song, "Blest Be the Tie That Binds," in which all joined. A prayer by Howry Pugh of Dallas. Mr. Doc Martin then introduced Mrs. John Ingham, who played on her accordian a number of patriotic and loved old airs. She received enthusiastic and repeated applause.

J. A. Young was then introduced and spoke earnestly and in an interesting way of the work and aims of the association.

Miss Mary Ann Gillespie, little grand-daughter of Mr. and Mrs. A. H. Birdwell, gave pleasure to every one by her reading.

Hon. Wayne Howell was then introduced and spoke in a most interesting and inspiring way. His subject was "Things of Which Every American Should Be Proud, and Things of Which Americans May Not Be Proud."

He said of the latter, that as a nation, America had never done anything of which Americans might not be proud, but that some American citizens have done things of which all Americans might be ashamed. His address was much appreciated by all presen.

A quilt was disposed of, Jack Megarity being the fortunate one The prize, canary singer, was given to the one selling most tickets.

It is hoped to make these reunions an annual event, and every one inerested in Hamilton cemetery should recognize their duty in helping to make it a success. A very beneficial and commendable feature of this association is the abolishing or forgeting all sectarian provincial feelings, an accomplishment which brings much pleasure and benefit to those who become part of it.

—REPORTER.

BURIED SKELETON MAY END SEARCH FOR MISSING MAN

GUS GRIMES, PARTNER OF "CHAIN MAN," MISSING SINCE 1925

OMAHA, Neb., July 8.—(AP)—A skeleton may be the answer to the question: What happened to Gus Grimes, partner of Fred Brown, the "chain man?"

The skeleton was found yesterday buried 15 feet from the shack in which Brown lived and where he chained two women and a man who came to their rescue.

Brown himself was killed in an attempted prison break in 1925. During the time he kept the women and man prisoner, he dug graves which he told his victims were for them. The man's escape and his story of the women being held in chains at the shack led to their rescue.

Grimes, whose skeleton police believe they have found, disappeared shortly after having been introduced to several persons by Brown.

The skeleton had been wrapped in an army blanket and buried in front of the shack, not far from the excavation which Brown intended as graves for the two women.

Discovery of the bodies was made by a motorist.

Grayson Officers Seek Jewelry Thieves

GAINESVILLE, July 8.—(AP)—Grayson county officers today were searching for burglars who entered the Stewart drug store at Collinsville, near here, early Sunday and escaped with $400 in cash and $1,800 in jewelry.

The thieves were believed to have used an automobile belonging to Sam Harmon, Gainesville barber, whose car was stolen Saturday. The automobile was found stuck in the mud near Collinsville. Tools used in entering the drug store were taken from a Collinsville blacksmith shop.

Presbyterian Men to Meet Tuesday Night

Regular monthly meeting of the men of the First Presbyterian church will be held Tuesday night at 7:30 o'clock at the home of Dr. L. C. Polk, 725, North Twenty-third street. Jim Roxburgh will lead the discussion on the men's work in the church.

All members are urged to be present at the meeting.

"Bigamist's" Bond Reduced.

NEW YORK, July 8.—(AP)—Bail for Charles H. Boyles, 68, held as a fugitive from justice from Amarillo, Texas, was reduced to $16,000 today. The hearing was anjourned until Friday when police informed Judge Rosenzbluth the Amarillo sheriff had telegraphed he would arrive then with extradition papers. Boyles asserts that charges of bigamy, grand larceny and jumping bail bond in Amarillo was a "frame-up."

BROWNWOOD BOY DROWNED

BROWNWOOD, July 8.—(AP)—Homer Otis Page, 13-year-old son of George Page of this city, was drowned yesterday in the city reservoir, where he and three companions had been playing. The body was recovered an hour after the accident.

Cream Supper

There will be an ice cream supper at Corbet Baptist Church Saturday night, July 13th, benefit of the church. Everybody invited.

According to reports Seymour Lowman, above, assistant secretary of the treasury in charge of prohibition enforcement, has been asked to resign by President Hoover.

PEACE OFFICERS ATTEND MEETING WITH ARTILLERY

SHERIFFS, MARSHALLS AND POLICE CHIEFS ARRIVE SAN ANTONIO

SAN ANTONIO, July 8.—(AP)—With pistols of all sizes and makes forming the major part of their baggage, the first of 500 delegates to the conventions of Police Chiefs and City Marshals' Association, and Sheriffs' Association, which opens tomorrow in San Antonio, began to arrive today.

Heading the list of early arrivals for the police chiefs' convention were J. K. Ellis of Fort Worth, president, and George A. Smith of Dallas, secretary, who declared they would shoot it out with each other in a special contest at the pistol range at Exposition grounds. Smith came prepared for the contest with a Thompson machine gun, latest model with all the new features, including an eliminator.

T. A. Binford of Houston, president of the Sheriffs' Associaion, was on hand early Monday to confer with Alfonso Newton, Jr., Bexar county sheriff, on the business sessions, shooting contests and entertainment program.

BRITAIN SHOCKED AS KING UNABLE GO SUMMER HOME

PHYSICIANS DENY TROUBLE SERIOUS; WILL DELAY FEW DAYS

LONDON, July 8.—(AP)—All Britain was shocked today when, within 24 hours of an empire-wide thanksgiving service for his recovery, unsatisfactory progress of a phase of King George's illness prevented his planned departure for Sandringham, British royal summer home.

The official announcement denied immediate serious symptoms and declared the general health of His Majesty was satisfactory. It said there had been unsatisfactory progress in the sinus in the right chest, and departure for Sandringhame therefore was delayd for a short period to permit further X-ray examinations.

In court circles the opinion was the physicians' bulletin was favorable, particularly as it indicated there was no fatigue after yesterday's imposing ceremony at Westminster Abbey and that it probably was necessary only for him to remain at the palace a few additional days.

COMMISSION ON PRISON LOCATION CONVENED MONDAY

AUSTIN, July 8.—(AP)—Meeting for the first time since its creation, the Texas prison centralization commission today named W. A. Paddock, Houston, temporary chairman, and Senator W. A. Williamson, San Antonio, secretary, preparatory to a session later today to consider steps for the relocation of the penitentiary system.

Paddock, who is chairman of the state prison board, told members of the 18 member commission "the prison board is not going to impose any ideas and ask that you either accept or reject them."

Paddock said members of the prison board wanted a free discussion and earnest co-operation from the nine members of the senate and house named with the prison board to solve the penitentiary problem.

Members of the commission present at the preliminary meeting were Fred Horton, Greenville; Lee Simmons, Sherman; J. B. H. Holderby, Fort Worth, and E. H. Astin, Bryan, members of the prison board; Senators Edgar Witt, Waco; W. A. Williams, San Antonio, and J. W. Stevenson, Victoria, and Representatives W. T. Graves, Stephenville; A. H. King, Throckmorton; Coke R. Stevenson, Junction, and E. T. Murphy, Livingston.

MORE WHALE TROUBLES.

NEW YORK, July 8.—(AP)—The disappearing whale is to have even less chance. Captain Finn Luetzow Holm, war aviator, has gone to Norway to sail on a whaler with his monoplane. He will fly looking for schools and report their whereabouts to the ship.

Flood of Wheat Is Setting Records On Fort Worth Market

FORT WORTH, July 8.—(AP)—The flood of Texas wheat broke all records on the market here today when receipts of the two-day period reached a total of 989 cars having a value delivered of $1,899,000 and representing actual cash received by farmers of the Texas grain belt of about $1,600,000.

Receipts compared with 751 cars received July 4 and 5 of last week—also a new record and with 454 cars received last Monday, July 1, likewise a two-day record at that time.

Receipts during all of last week totaled 2248 cars. Grain men here expect this week to continue at a record-breaking pace so far as wheat reaching railroad yards here is concerned with every prospect that all facilities for handling the grain will be taxed to the utmost.

Railroad officials report all grain offered is being handled promptly at shipping points and in transit with no prospec of congesion at this market.

Farmers Want Column

Rates—One cent a word for each insertion. Count your words, send ad to this office, giving number of times you want it to run, together with check or money order to cover cost. No ad taken for less than 25 cents. Cash much accompany each ad.
